

Police Halt Prostitutes Soliciting In GC Taverns

Four Women, Five Men Arrested On Conduct Charges; Two Jailed

Quietly and effectively, Granite City police broke up what might have been the start of a vice ring using local taverns as contact points, it was learned today from Police Chief Raymond Willard.

In the matter of a few days, four women and five men, one of them the "fiance" of a shaggy blond, were taken into custody, and while vice charges were not placed against the individuals, two of the women were given county jail sentences, and the other two were ordered out of town. The men were charged with disorderly conduct and advised that continuation of such activities would result in more severe penalties.

Chief Willard said the women operated from taverns in a wide area of the city. He is calling upon citizens of the community to inform the police department of any such vice activity. A letter is being sent to all taverns in the area, asking them to inform the police department of any such vice activity.

Chief of Detectives James L. Lower told the Press-Record today that while the women knew each other's activities, two of them rooming together in a downtown apartment, he does not believe the men had time to develop a full-scale organization.

The women's ages ranged from 19 to 26 and two of them were Granite City residents, while the others came from St. Louis. Most of their business was from transient truckers, with contacts made in taverns and times with the aid of "boy friends," they told police.

"We hope we have broken it up," Chief Lower said. "There is a possibility other women might be working from taverns, but we have the opportunity to investigate. We've been hampered in the investigation, because most hoodlums know members of our detective force and recognize them whenever they conduct the investigations."

While the women usually roomed with a "boy friend," they accompanied their "customers" to his room and then to motels on highways outside the city limits, according to the statements obtained by police. It was infrequent that the women took their customers to their own rooms.

One 23-year-old woman said she had been working in other cities since she was 18 and began coming to Granite City from St. Louis early this year, finally moving here a few weeks ago.

Mayor's Letter
In the letter dated this week and sent to all tavern owners in the city, Mayor Davis stated: "I would like to take this opportunity to caution all Granite City tavern owners against allowing young women of questionable morals to frequent your taverns or use their establishments as bases for illicit activities."

"Tavern owners are urged to cooperate with the local law enforcement agencies in the effort to eliminate such activities."

Grand Jurors Urge Tests For Boy In Slaying

No indictment was returned Tuesday in the fatal shooting of George E. Fisher, 51, but his son, David Fisher, 15, is still being held without bail in the county jail.

In line with a special report by the county grand jury, efforts will be made by the state's attorney's office to seek psychiatric tests for the youth, Assistant State's Attorney Burton Bernant told the Press-Record today.

The shooting took place March 21 at the Fisher home on Chalmers of Rock road west of Mitchell and the case was presented to the grand jury last week. The special report related that "no action of a grand jury taken in this case, we recommend that psychological and psychiatric tests be made."

Austin Lewis, attorney for the boy, told the Press-Record he will study the grand jury report and then advise his client. The attorney said such a recommendation is not binding on any individual, but that no decision has been reached on compliance or non-compliance.

22 Indictments
Twenty-two indictments and seven true bills were returned by the grand jury Tuesday to Circuit Judge Harold R. Clark with State's Attorney Dick H. Mudge Jr. and Bernard Aschman.

The grand jury re-emphasized the need for a county reformatory, detention home, for which part of the county's sales tax receipts are reserved.

"There should be a place of detention in this county, other than the county jail, for juveniles awaiting legal action," the jury said. "The serious need for a county reformatory in Madison county should be acted upon."

After an inspection of the county jail, the jury urged separate places of confinement be established for juveniles, and that cells be provided that are designed to prevent any prisoners from injuring themselves intentionally.

Lighting, Sanitation
"We suggest that proper lighting be installed where it is needed in the jail. Also, we noticed that there are areas that need to be cleaned and suggest this be taken care of."

"In addition, we found the kitchen and utensils to be in a unsanitary condition. It is recommended that an attempt be made to keep the mattresses and other bedding cleaner."

The jury's report on the tuberculosis sanatorium and county nursing home said they are "generally well kept." It urged a check of voltage at the sanatorium to determine if it is adequate to operate the x-ray machine there.

4 DAYS WITHOUT A QUAD-CITY TRAFFIC DEATH

Granite City police were informed at 8:30 a.m. today that a service truck belonging to the Rite Electric Co. of 2141 Madison avenue was ransacked last night as it was parked on Terminal avenue near the company's warehouse.

Missing are a tool box and tools valued at \$200, plus a number of thermostats, switches, fuses, supports, fittings, 1200 feet of electrical wiring, service boxes and other electrical equipment, the total value of which has not been determined.

28 Indictments
The grand jury returned 28 indictments and seven true bills in the case of the Rite Electric Co. truck.

The jury also returned 28 indictments and seven true bills in the case of the Rite Electric Co. truck.

Council Supports Citizens' Proposal

Contract Negotiations To Be Resumed With Local Engineering Firm

Granite City council members gave a vote of confidence to the Citizens' Master Sewer and Drainage Committee Monday night by rejecting a motion to rescind council action of last Feb. 15 of authorizing contract negotiations with an engineering firm unanimously recommended by the citizen group.

The council went on to reauthorize the special Sewer Committee, headed by Alderman Frank Vesi, to continue negotiations with the local engineering firm of Sheppard, Morgan & Schwaab and submit a proposal next Monday night.

The council also opened a note of commendation to the citizens' group for their cooperation in the project.

Heifer Runs Seven Miles, Shot In North Granite

(Picture on Page 3)
A saga of the old west was revived in this area yesterday as Granite City and Venier police conducted a five-hour roundup of a heifer which escaped from the animal again in North Granite and tried to steer it into a field away from traffic and school children so that it could be killed. Several times the heifer charged the bright red car of the city inspector before approaching the home of C. M. Long of 2880 Namecki drive.

Long, who is a retired employee of the stockyards in East St. Louis, tried to flag the cow car to watch it until somebody from the stock yards could arrive and take possession. Before the "cowboy" appeared, however, the animal ran along the tracks toward Granite City.

Jack Fricker, city inspector, picked up the chase shortly before 3 p.m. when he received a call that the animal was spotted on the Nidringhaus avenue side, walk near American Steel Foundries plant. After chasing several persons off the walk, the heifer wandered into Lincoln Place before again taking to the tracks and headed toward North

Granite, cutting through the yards of the Jennison-Wright Corp. plant.

Census Crew Leader, Mrs. John Pier Gives Detailed Data to Enumerator Mrs. Florida Johnson

Florida Johnson, during a training session this week in the Venice city hall, Mrs. Pier is in charge of the census of Madison, Venice and Namecki townships. The 1960 federal census will begin tomorrow throughout the county.

Only those people alive at 12:01 a.m. Friday, April 1, 1960, will be counted in the 1960 federal census. Granite City Crew Leader, Mrs. Pier, said.

According to this criteria, a baby born at 12:02 a.m. will have to wait until 1970 to be counted but a person who dies at the same time will be included in the census.

Starts Tonight
The population count gets started at the local level tonight when enumerators assigned to Hotel Stevens and YMCA, all dwellings with over 50 rooms, will pass out individual forms to all who will stay overnight. Due to the possibility of a death during the night, the enumerator will make a brief double check tomorrow morning.

Although the hospital is a large dwelling it is not considered a place where transients may be staying so it will be visited in the enumerator's normal round of calls. Patients will be asked to fill out individual forms unless they can assure the census worker they will be counted at home. For patients too sick to write, the enumerator has the authority to get information of hospital records.

Every place where somebody might be living will be checked, including police stations and temporary shacks near railroad tracks housing transients. Transients and the "blue form" will be major problems in the census, Mrs. John Pier, Venice crew leader, said.

Each traveler must fill out an individual form to be double-checked with his home town to prevent a double count. This will be a major problem because of the time needed to do the double checking. In this category falls traveling salesmen, vacationers and drifters.

The "blue forms" are questionnaires dropped off at every fourth residence by enumerators as they make the rounds picking up original forms mailed out last week. The first questionnaires are devoted entirely to the population count and a few general questions while the "blue form" will seek information of a more personal nature such as income, education, health and so on.

The second form is to secure a detailed picture of American life in 1960. It is figured to give information from every fourth dwelling can give an accurate picture of the nation as a whole.

Bain Ends High Temperatures Here

Spring was short-lived here this week, but is expected to make a comeback toward the end of the week. Occurring simultaneously with the advent of spring on the calendar, temperature soared here, ranging from 42 to 78 on Sunday and again hitting 78 before dipping to only 57 Monday evening. Maximum Tuesday was 58, with the minimum of 42 degrees accompanying a blizzard of rain that night.

Another 40-inch of rain fell during the 24-hour period ending this morning, bringing the two-day total to slightly over one inch, according to records at the Granite City canal locks revealed. The mercury hovered in the 40s yesterday but is expected to go higher today.

Election On City Manager Sought By Group In GC

A campaign to seek an election on the city manager form of government in Granite City was started last night after 36 local residents heard a talk on the successful effort to change to managerial government in Alton.

Meeting at the American Legion Post 113 hall, the group was addressed by Ben C. Vins, former president of the Alton Citizens for Better Government group, and James "Red" Worthen, member of the board of directors of the Granite City Civic League.

Worthen, who presided, said he will ask the Civic League to endorse city manager government at its next meeting at 7:30 p.m. Tuesday, April 5, at the K.C. of Hall.

Petitions were given out after the meeting, and Worthen said he expects to circulate them this week. He hopes to have 200 signatures by May 1, when a minimum requirement of 153 is needed.

The petitions ask that County Judge Michael Kinner call an election on the question of whether the city of Granite City should adopt the form of municipal government. If enough signatures are obtained, the judge would have 30 days after filing of petition to call a hearing. Worthen said.

Providing that a sufficient number of signatures would be found to be valid at the hearing, the next step would be for a petition to be filed with the city council to call a special group.

If the managerial proposal won, it would mean a change from the present form of government to a city manager form.

Alderman Emerald Daves said the one-hour limit would work a lot better for business, such as barber shops and other service establishments. He and Mayor Paul Rutledge, Jr., Samuel Shackelford and Alderman William Gabrielle Bettine were those opposing the change.

Voting for preparation of the one-hour amendment were Alderman Emerald Daves and Alderman William Gabrielle Bettine.

Adult Industrial Training Here 3rd Largest in State

The adult trade and industrial education program at Granite City high school is the second largest in Illinois outside of Chicago, representing a gain over a similar survey four years ago, the school district has been informed by Robert B. Newell, trade and industrial education supervisor of the Board of Vocational Education, Office of the Superintendent of Public Instruction.

With 641 students, the local program is topped only by Rockford's 871 and by Chicago. Other totals in this area show 273 at Alton, 187 at Wood River and 127 at East St. Louis.

Granite City's total reimbursement from the state for the adult program is \$24,376, exceeding only Cicero's \$31,543. The local program includes 317 evening students, 194 attend all day and 130 in extension courses.

Coordinated instruction. Evaluating both the student and adult vocational programs here, Newell has informed Superintendent Harold M. Kaiser that "all instructors of the seventh through the twelfth grade appear to be operating from a detailed, coordinated course of study. This was not in evidence four years ago."

"Student interest appeared good. It was interesting to talk to the students about their work. Most of the projects were quite challenging to the students."

"The morale of the instructors appeared good. The present administrative organization has helped to give direction to the program not in evidence four years ago."

"The improvement in the room facilities of the vocational electricity course is quite evident. Removal of the old tool crib, some of the obsolete equipment and other materials, along with painting the shop, has given the room a modern look."

"Four years ago, the vocational electronics shop was located in a conversion chemistry classroom too small to be efficient. The present location and equipment of this shop is quite adequate. Dr. Kaiser, both you

and your board of education can be proud of this electronics course.

"It was gratifying to learn of the new approach given to counseling both junior and senior high students. The industrial education instructors were quite disturbed with the present distribution of students given them by the counselors."

"It would not be fair for me to comment on some of the shop programs until they are moved into the new quarters. It is hoped the pattern shop can be connected to the blower system as soon as possible. Dust removal is a serious problem in this shop."

Good Jobs For Graduates

"Both the vocational drafting and machine shop courses have maintained their high standards over the past four years. This is evidenced by the good placement given students enrolled in these courses after graduation."

"Over the past four years, a long-term machinery replacement program has been inaugurated. There are evidences of this new equipment in several shops. It is unfortunate nothing has been done in the past on a replacement program. There is still need for additional equipment."

"In view of the above considerations, I would like to make the following recommendations for your consideration: 1. The addition of testing equipment in the vocational electricity course. At the present time it is difficult to perform tests and locate electric motor troubles. 2. Elimination of the dust problem in the pattern shop at the earliest convenience."

Suggests Courses For Girls

"3. Offering courses for girls in the future in trade and industrial subjects. Examples: drafting and commercial art."

"4. Continuation of a regular machinery replacement program."

"5. In view of the expanding day trade and evening trade existing in a conversion chemistry classroom too small to be efficient. The present location and equipment of this shop is quite adequate. Dr. Kaiser, both you

Nonn And Alderwoman End Feud, Momentarily

Council members enjoyed a brief respite from an otherwise tense session Monday night and literally rolled from their chairs with laughter during a rollcall as Alderwoman Walter Nonn found himself alone in agreement with Alderwoman Mrs. Catherine Betnee.

Nonn and Mrs. Betnee have kept up almost a constant running feud. It began when the council's only woman alderwoman was elected last year and she has been challenging Nonn's "rulings" in directing the procedures under which a council meeting should be conducted.

Mrs. Betnee, a student of government at St. Louis University, frequently has called Nonn's hand and he has shown evidence of delight in hurling challenges at the alderwoman.

To other solons, the Nonn-Betnee feud has become almost a standard operating procedure, with at least one exchange each meeting both of them are present.

The issue of rollcall Monday night was the \$5000 consulting engineer contract for David J. Johnston.

Nonn, the council's lead-off man on rollcall, called out a strong "no" on the suspension of rules. All other votes were "aye" with Mrs. Betnee's "no," and as the council went into almost an instantaneous roar of laughter and loud cheers, with several jumping from their chairs. Nonn began quickly to question the matter at his desk.

On the second roll call for final approval of the contract, Nonn switched to an "aye" vote, and Mrs. Betnee was alone in opposing it.

The next item of business was Johnston's motor fuel tax contract with the city. Nonn pointed out that the vote was higher than those set as a minimum by the Illinois Society of Professional Engineers, and he and Mrs. Betnee voted together, both the only solons opposing the award of the contract.

MORE ABOUT Census Starts

(Continued from Page 1)

without having the time consuming task of compiling data from every family.

Forms Are Confidential

"I think the reason people might hesitate to give out personal information is because of a misunderstanding of the role of the enumerator," Mrs. Pier said. "The answers are strictly confidential, the census worker will not see the answers because they are mailed to the district office. Therefore, no one should worry about telling an enumerator personal data."

A family who receives a "blue form" must fill it out and mail it to the district office in East St. Louis within three days. After a certain period of time those who fail to respond will be visited a second time by the census worker and asked to cooperate. Even in this case, Mrs. Pier pointed out, the enumerator will not see any of the data. His function is only to find out why the forms were not sent in.

Three Area Crew Leaders

Mrs. Nina Marshman of Granite City is the area's third crew leader. All three leaders will act as foremen over their enumerators and will not actually do any counting. They will gather all the wicker's forms, assign territory to cover and stand by in case any enumerator encounters trouble.

Mrs. Marshman's 17 enumerators will cover the area from 24th

street to the city limits of Granite City and Mrs. Bartoski will assign the same number of enumerators to cover the area from 24th street to the Madison city limits. Mrs. Pier's 20 enumerators will count the population of Madison, Venice and Nameoki townships.

Mrs. Pier has one of the toughest problems of any of the crew leaders here as part of her territory is rural.

"Because of the many small country roads that twist around the countryside and intersect with others, assigning areas to cover will be difficult, especially starting and stopping points."

The census should be completed within a month but tabulating speed depends on many factors, foremost of which is how fast the actual enumeration can be made, according to district director, Ronald Jung, whose headquarters are in East St. Louis.

Because some opportunities may pose as census takers to gain entrance to homes, "Tri-States" Chamber of Commerce Secretary Herbert Dobry urges residents to make sure they are talking to real enumerators.

"An enumerator will have proper credentials and wear a badge bearing the official seal of the United States Department of Commerce," Dobry said. "A household discovering an impostor should contact police immediately."

The Census Bureau warns that anyone who falsely represents himself is liable to a fine as high as \$1000 and three years imprisonment.

Chamber Board To Meet

The Tri-States Chamber of Commerce board of directors will hold its monthly meeting April 5 at 6 p.m. in the Rose Bowl, Samuel Meyer sr., C. of C. president, announced today.

ROY A. PELSTER, new Quad-Cities manager of the Southwest Bell Telephone Co. He will replace Paul F. Roth in the local position tomorrow.

Pelster Replaces Roth As Telephone Manager In Area

Roy A. Pelster has been named manager in the Quad-Cities for Southwestern Bell Telephone Co., succeeding Paul F. Roth, who will transfer to St. Louis for special assignment on the Commercial Department division staff.

In his new job, Pelster will be in charge of the company's Commercial Department operations here. The change is effective tomorrow, District Manager William L. King announced.

Pelster joined Southwestern Bell in 1957 in St. Louis in the company's special training program for new management people. He was named business office supervisor in Kansas City in 1960, the position he held until being promoted to manager here.

Army Veteran

The new manager is a graduate of Ritenour high school at Overland, Mo., and was graduated from Washington University in St. Louis with a bachelor of science degree in business administration in 1957. He was on active duty with the U. S. Army in 1958.

While in Kansas City, Pelster was active in the Junior Chamber of Commerce and recently was selected as co-chairman of the club's United Fund drive in that city.

He also was a Junior Achievement adviser.

Details of Survey
The off-street parking report showed 87.25% usage of parking spaces in the downtown "core" area and recommended a reduction in time limits to increase the parking "turnover."

"The parking 'turn over' per meter," the engineer pointed out, "is definitely reduced by parking in excess of one hour. A reduction of total parking time per meter with the use of three shorter increments of parking of less than one hour in critical zones would be beneficial."

However, the commissioners made no recommendation for shorter parking periods than one hour.

The report also showed that within the downtown area, 204 vehicles were parked in excess of the two-hour limit, including 29 for eight hours or more. The average parking time for 204 vehicles was four hours.

Wolfe Co. Low Bidder

On Edwardsville Pool

A low bid of \$75,000 for construction of an 82x50x32-ft. swimming pool, submitted by the M. H. Wolfe Co., has been approved by the Montclair Pool Association at Edwardsville, it was learned today.

The pool will be constructed adjacent to the Montclair Shopping Center near Edwardsville, and is designed to accommodate 400 families. Work is to begin in April, with the completion date set for mid-June, depending on the weather.

Speeding Ticket

Norman H. Meyer, 23, of 4007 North street, was issued an arrest ticket early today by Granite City police on a charge of speeding at Pontoon and Nam-eck roads. He posted his driver's license as bond.

GC Township Costs — \$103,661 in 1959-60

A telephone roundup was needed to secure enough Gran-ite City aldermen to carry out their function as the township board of auditors Tuesday evening. The audit showed township disbursements totaled \$103,661 during the fiscal year.

First notice of the annual year-end meeting to audit the township records was given during Monday night's council meeting, and when the Tuesday evening town meeting was opened at 8 p.m., only Alderman Paul Rutledge, chairman of the City Finance Committee, was present.

The relief fund income during the fiscal year totaled \$138,759, including a March 1, 1959, balance of \$26,982. Sources of income during the year were \$109,385 from the 1958 tax collection, \$61,954 paid in obligations, \$119,111 settlement of 1957 taxes, \$471 reimbursement through a court order, \$45, cancelled checks, \$15 in refunds, \$502 from Granite City Housing Authority in lieu of taxes, \$205 reimbursement from Collinsville township and \$35 from the sale of a typewriter.

Town Fund Totals
Town fund disbursements during the year — March 1, 1959, to Feb. 29, 1960 — amounted to \$53,572, with \$755 unpaid bills at the end of the year. Relief obligations incurred totaled \$57,327, with disbursements at a peak in April 1959, totaling \$57,699.

A breakdown of relief obligations by months follows:
March 1959: \$5436; April: \$5769; May: \$3713; June: \$4757; July: \$3495; August: \$3199; September: \$2032; October: \$4147; November: \$3384; December: \$4420; January 1960: \$3881, and February, \$3868.

The assessor office expenditures included \$8301 in salaries for deputy assessors; \$8462 in salary payments for the assessor and his assistant, \$500 travel allowance for the assessor and \$600 office rent paid to the city.

Other major town fund expenditures were \$765 for officials' bond premiums, \$1207 election expenses, \$1011 for employee retirement, \$948 salary for town attorney, \$3150 supervisor salary, \$500 supervisor travel, \$1465 for office expenses of five justices of the peace and \$600 for the town clerk and included a \$206 balance on March 1, 1959, along with \$25,519 from 1958 taxes, \$2054 final settlement of 1957 taxes, \$23,000 from tax anticipation warrants, \$117 from the Granite City Housing Authority in lieu of taxes and \$1 telephone refund.

Relief Disbursements
Relief disbursements during the year — March 1, 1959, to Feb. 29, 1960 — amounted to \$53,572, with \$755 unpaid bills at the end of the year.

63 Absentee Ballots Cast; Still Available
Sixty-three of the 130 absentee ballots applied for and sent to voters who will be out of the county on April 12, date of the primary election, have already been cast, according to County Clerk Miss Eulalia Hotz.

Civilians and military personnel who will be outside the county on primary election day still have until April 7 to request ballots by mail. Miss Hotz added, while the deadline for person-al application is noon, April 8, delivery of the completed primary absentee ballots will be made to election judges at polling places beginning on April 4.

The total number of absentee ballots cast in this year's primary and school elections is expected to top the figure for the last parallel voting year of 1958, when 211 were cast, the county clerk added. At this time before the 1958 primaries, 125 absentee ballots had been picked up by voters or sent to the polls.

Separate ballots will be used to list each party's candidates for the primary. Republican ballots are blue, Democratic ballots pink.

Pontoon Beach Water Office Taking Deposits

The Pontoon Beach Public Water District office, located at 4083 Pontoon road, will be open from 9 a.m. to 4:30 p.m. today and Friday to accept \$5 meter deposits and \$150 inspection fees from householders in the area whose homes are connected into the new water system.

Andy Bukovac, president of the district board of trustees, said plans are being made for the first customers to receive water next Tuesday, provided the water is approved by the state board of health and the results are made known.

Testing of the water was started last week, and Bukovac said the test samples are expected back from Springfield, Ill., by Tuesday and serve those houses where the lines are completed and connections to homes have been made.

Donald Lipscomb, 49, Dies This Morning

Donald David Lipscomb, 49, of 2154 Edison avenue, died at 6:30 a.m. today in Jewish Hospital, St. Louis. He had been ill six weeks with a glandular disorder and was in the hospital 10 days.

A native of Rockwood, Ill., Mr. Lipscomb lived in Granite City 29 years. He was employed as a driver for a Granite City construction company for 11 years and belonged to Teamsters and Chauffeurs' Union Local 525. He also was a member of Eagles Lodge 1128.

Mr. Lipscomb is survived by his wife, Mrs. Katreen Lipscomb; a son, Gerald Wicham of Granite City; four sisters, Mrs. Marguerite Milner of Union, N. J., Mrs. Margorie Hermann of Evanston, Ill., Mrs. Marion Arnold of Carbondale and Mrs. Ruth Fraser of Fairview, Ill.; four brothers, John Henry, George W. Jr., Charles and Robert Lipscomb, all of Granite City; and Mrs. George W. Lipscomb of Granite City.

Funeral arrangements are given in today's obituary column.

The peace, all are the same as in the past year.

The board set the fiscal year to begin March 29, 1960 and end March 27, 1961, and voted to continue meeting every fourth Friday of the month except in April. The board also approved depositing town funds in the First National Bank in Madison.

Present at both the public hearing and the board meeting were Supervisor Arthur Moore, Town Attorney G. Edmund Cook, other residents were present.

Assessor expenses totaled \$3550 on \$1200 for clerical help, \$300 for postage, \$500 for traveling and \$50 for farm survey and \$1900 for six deputies at a rate of \$250 each.

Salaries To Remain Same

The board also passed a series of resolutions for town officers' compensation to be voted on at the town meeting. The proposed supervisor salary in the town fund is \$500 and in general assistance, \$3800. Attorney clerk was listed as \$1800, town clerk as \$1200, highway commissioner \$2000, collector's expenses \$4000 and \$100 a meeting for justices of the peace.

GC Civic League Invites Candidates To April 5 Meeting

Levee district, county and city candidates have been invited to appear for a meeting of the Granite City Civic League to be held at 7:30 p.m. Tuesday at the Knights of Columbus hall, 21st street and Edison avenue. It was announced today by William H. Hale, president, and George O. Heth Jr., secretary.

Among those invited to speak are Dan Costello, incumbent levee board candidate, and his Democratic primary opponent Monroe Flinn; City Judge Fred P. Schuman and his opponent Horace Calvo; and State's Atty. Dick H. Mudge Jr. and his Democratic opponent Anthony Daly.

As of yesterday, only Flinn had accepted the invitation, but the others are expected to be present.

In announcing the public meeting, Hale said the levee

Sea Scout Auxiliary Receives New Flag

Sea Scouts and Auxiliary 109 held a joint meeting Monday night at the Kirkpatrick Homes recreation center, during which chairman Mrs. Mildred Walker presided over a flag dedication ceremony. The new flag was then presented to the Sea Scout Auxiliary.

A miniature flag was presented by Skipper Mrs. Georgette Teelor to Mrs. L. B. Parker, for whom the Sea Scout ship is named. Mrs. Mary Korosok was honored with a corsage and gift from the combined groups for making the flag. Funds for its construction were donated by the Women of the Moose.

A pot luck supper preceded the program, after which members spent the evening dancing.

NEW PRESIDENT OF Granite City Rotary Club, Dean Maberry, will take office along with other 1960-61 officers in July.

GC Rotary Elects Maberry; Giving Organ To GCHS

Granite City Rotarians elected officers for the 1960-61 year beginning July 1 at a weekly luncheon meeting Tuesday. Dean L. Maberry will succeed Dr. E. L. Ackerman as president.

Maberry, who resides at 2739 Grand avenue with his wife and daughter, is currently the club's first vice-president. He is a sales representative for Whitehead Insulation and Sales of East St. Louis.

Other new officers are Glenn Abneroff, first vice-president; Dr. Ackerman, second vice-president; Ray Butler, secretary; Alfred Gehlert, assistant secretary; Albert Froemling, treasurer; Vincent Bischoff, assistant treasurer; Loren Davis, sergeant-at-arms; and Al C. Stover, assistant sergeant-at-arms. Those named as delegates were Ernest Karandjoff, Sidney Aubrey, Rev. Verne Barnett, Dan House and Homer Huber.

The club voted to contribute an organ valued at \$2000 to the Granite City high school music department. The cost will be met from Rotary Home Show and Horse Show proceeds.

The organ is to be used to instruct students in playing the organ, to augment the vocal music program and to entertain at school functions, such as during the intermission of programs in the high school auditorium.

Walter Sons, program chairman, introduced Claude Cochran, who in turn presented Miss Virginia L. Marnaduke, vice-president of the Consolidated American Life Insurance Co. of Illinois. Under the topic, "The News Up Close," she reviewed her 28 years of reporting with newspapers in Herrin and Chicago and television and radio stations in Chicago.

Miss Marnaduke recalled interviews with Adlai Stevenson, George Raft, the former Margaret Truman and Zsa Zsa Gabor. "Miss America," she described in detail her three weeks on the Eisenhower campaign train in 1952 and "the worst story I ever covered" the murder of six-year-old Suzanne Degnan in Chicago. She interviewed 502 persons in efforts to solve the crime, prior to the capture of William Heirens by Chicago police.

Relating that there is "a lot of gratification" in newspaper work, she urged members of the club to avoid discouraging their daughters from entering the newspaper field. While here she was a guest of Ernest Cochran, area representative of her insurance firm.

John D. Rockefeller reportedly refused to argue with people if they did not agree with him.

13 Quad-City Seniors Take County Scholarship Exams

Results of Illinois University four-year scholarship examinations recently administered to 13 Quad-City high school seniors are to be announced about June 1, the office of County Superintendent of Schools Wilbur R. L. Trimpe said today.

Trimpe's office added that only the winners of the scholarships would be notified. Nine scholarships are available to county high school seniors in four general categories. Nine Granite City high school seniors and four from Madison high school were administered by Trimpe's office at the Edwardsville senior high school.

Granite City seniors were Paul Eads, Mary Gonzales, Linda Lester, Janet Moore, Patricia Patton, Alan Sharp, Thomas Timmons, Beverly Tomcatt and James Warfield. Scholarship examinations were completed by Madison high school seniors Fred Bright, Earle Ferguson, Kenneth Turner and Leonard Grojewski.

Kerner, Running Mates See Party Leaders Here

Four state Democratic primary candidates breakfasted with Venice township public and party officials yesterday at the Sportsman's Club in Madison and conferred with Granite City officials later the same morning at the city hall in Granite City.

They were Otto Kerner, candidate for governor, Samuel Shaprio, for lieutenant governor;

James McLaughlin, for secretary of state; and Michael Howlett, for state auditor. Mrs. Shaprio and Mrs. Howlett also were part of the "caravan" which went from here to a meeting and tea in Edwardsville, a radio appearance in Alton and a banquet and dance in the Alton-Wood River area last night.

John Bridick of Madison county Democratic chairman presided at the Venice township meeting and accompanied the candidates on their tour of Madison county.

Reminder On Schools' Storm Warning Policy

With most severe storms occurring during the spring, Granite City school principals are being reminded by Supt. Harold M. Kaiser of the school district's policy that classes should continue during tornado warnings. In the event a tornado seemed imminent, students will be directed to interior corridors or walls, avoiding gymnasiums and areas close to glass windows. "It is believed that children will be safe in the schools than on the streets," Supt. Kaiser advised the principals. Students will be permitted to leave with their parents in the event of severe weather warnings, but will not be dismissed on their own.

Promoted To SP4 In Germany

Edward K. Prope, 23, son of Mr. and Mrs. Clarence H. Prope, 2828 Iowa street, recently was promoted to specialist four in Germany where he is a member of the 22nd Evacuation Hospital.

Specialist Prope, a supply clerk at the hospital in Bad Kreuznach, entered the Army in April 1958 and arrived overseas the following September.

Prope is a 1955 graduate of Granite City high school and attended Southern Illinois University. He was employed by Sears, Roebuck & Co. before entering the Army.

Special Service At 1st Assembly Of God

A youth group from the First Assembly of God Church will be in charge of a special Sunday evening service at the church, Rev. Paul Evans, pastor of the church said today.

Speaker at the service will be Rev. Calvin Marcum, pastor of the First Presbyterian Church. Rev. Evans said the service is unusual in that denominational boundaries are being crossed.

Music for the 7 p.m. service will be directed by Mrs. Evans. Two groups, a girls' chorus and a mixed youth choir, will sing during the service.

Most Positions On Trojan Baseball Squad Open; Rain Halts Workouts

Rain after only two full practice sessions put the damper on baseball workouts at Madison high school this week. The Trojans, with lettermen a scarce commodity in the first place, are watching the date of the first opening game with Dupo draw nearer with some misgivings.

Head baseball coach Larry Dant and Assistant Coach Larry Burns spent Monday and Tuesday afternoon putting the 32-man Madison squad through its first concerted outdoor drills, but a soggy diamond after steady Tuesday night rains curbed outdoor activities yesterday and today.

Lack of experienced infielding and pitching on a club which won the Midwestern Conference race last spring with a 9-1 record were apparent to Dant, who made the two-day period early last week for batting, pitching and outfield fundamentals.

The Madison coach shuttled each of his seven pitching candidates on and off the mound to pitch batting practice, stressing control. The pitchers, as is the usual case, were still ahead of the hitters, thanks to some previous indoor work to get arms loosened up.

15 Infield Candidates
 Work around the infield was spotty, since the diamond itself was not in playing condition. Fifteen candidates are competing for the five infield positions, and some new blood is certain to be injected into the lineup for Monday's home opener with the Tigers, since only three lettermen were among that number.

Regulars defending their infield jobs are Second-Baseman Dan Hrysko and Third-Sacker Sam Georgeff. Georgeff, who may be called upon to do the pitching staff, was 1-0 on the mound last year, and made only that one appearance.

Rich Simpson, who also can play third base, is second in line for the second base job, while Dant lists Roy Koberna as a third base prospect. From there on inexperienced players will have to come through.

Seniors Steve Rydigg and Rich Barzil, plus Sophomore Charles Venarsky are all given a chance as regular first sacker. Rydigg, who had a few innings there last season, could nail down a starting berth.

Shortage
 Candidates include Bob Kurtila, Tony Modrusic and freshman Bill Rids, while the list of catching prospects is headed by Ken Griggs, who stepped in on occasion for Ed Modrusic last year. Modrusic's graduation left the spot wide open, and four other players who would like to wear the equipment are Dick Klimer, Terry Duko, Sam Dymas and Willie Boyd. Boyd, presently ineligible, is expected to get into uniform by April 15.

Tickets Available For Banquet To Honor GCHS Teams
 Tickets for Tuesday's banquet honoring Granite City high school's sectional championship basketball and wrestling teams are still available today, Dave Morgan, one of four individuals sponsoring the event, announced today.

St. Louis University head basketball coach, John Bennington, will be guest speaker at the banquet, which will begin at 6 p.m. in the high school cafeteria with a smorgasbord dinner.

Tickets are priced at \$2 each, and 300 are to be sold. They are available from Morgan, Cameron Van Buskirk, Pat Rich, Graham's Book store and the high school office.

GC Team Guarding Lead, BPA League To Resume Saturday

The Southern Illinois Bowling Proprietors Association Classic League, idle last weekend due to the American Bowling Congress tournament at Toledo, O., will convene again for its fourth to last regular season session Saturday at East St. Louis' Bowl-A-Way Lanes.

Old Milwaukee of Granite City, which has three games to make up from a March 12 postponement, shows a 55-26 won-loss record, compared to 54-30 for the second-position Alton Bowl Haven Falstaffs.

Jim Vrenick remained at the 202 level in pacing individual averages as he fired 634-242 for Old Milwaukee in its last outing.

Sports Bowl's Claude Peers has a 201 average to trail Vrenick by one stick and Nick Lombardi of Old Milwaukee has 200 even.

The standings and averages: Granite City 55-26, 975; Alton 54-30, 970; Collinsville 45-39, 952; Belleville 44-40, 949; East Alton 40-44, 598; O'Fallon 37-47, 942; East St. Louis 34-46, 926; Wood River Lewis 23-54-60, 905.

All-Stars To Begin Tourney Have Only Minor Track Weaknesses

The Granite City park district all-star basketball team will begin play in the Joliet park district invitational tourney at noon Saturday when it meets the Peter Clavers on the southern court of Hufford gym in Joliet.

Composed of the top talent from the park's Classic and Church basketball leagues of the past season, the all-stars are one of 14 teams which will battle for tourney. A total of 14 games will be played at four locations in the area.

A loss in the first round would eliminate the local entry, while a win would place the all-stars in a quarter-final game with either Blue Chips of Lemont or Americans. Other teams in the upper bracket are St. Mary's, K. S. K. G., the Troy A. C. and Joliet Floor Cover, which drew a first-round bye and will meet the St. Mary's-Troy winner in the quarter-finals.

Lower bracket pairings match Stan White Trucking and Skeel Top, Mark's Mortuary and Ottawa K. C. and Gene's Lounge and Joliet Floor Co-Op. The Molash's 14th entry, also drew a first-round bye.

Tourney contests will be going on simultaneously at both the Hufford and Gompers gyms in Joliet. Semi-finals are at 2 and 3:30 p.m. Sunday, while the third-place game will follow at 6:30 and the championship contest at 8 p.m.

Red Devils Have Only Minor Track Weaknesses

Lack of proven talent in the distance races and shot put appear to be the only major weaknesses as Coach Zahn Wells begins to organize his forces at Venice high school for the 1960 track season.

Wells has six lettermen among the group of 18 hopefuls who have been forced to outline their workouts to indoor conditioning so far, and the Red Devils appear very strong in the dashes, most field events and the middle distance races.

Head Top Prospect
Topping the list of returnees is Senior Clarence Hand, a 165 and 200 yard dash man who gets consistently good distances in the broad jump and even finds time to hurt the discus. In one triangular meet last year, he placed first in the 100, broad jump and discus.

Senior Woody Mauld, the school's top vaulter last year, is backed up by Larry Gray, another senior, who finished second to Mauld in two meets last year and also will compete in the broad jump.

John Corrie may be Wells' top choice for the discus event, and Don Devany will give the Devils some strength in the middle distance races.

Wells, who plans to get his boys outside as soon as possible, has Jim Ederstedt, John Koelker, Bill Shamro, Jerry Cicio, Jack Fields, Pete Fields, Jim Hornum, Harold Koelker, Bruce McClain, Richard Rousseau and Harold Rudy as prospective squad members.

MBC Meet Here
Noted schools in the MBC Conference have spring track, and Wells has only one definite date on his calendar this year. The conference meet, which will be held in Venice on April 28.

The Red Devils coach said he is in the process of contacting other meets this week.

Venice finished third in the MBC meet last year. The event was won by Troy, and the re-organized Triad district, with Troy included, is expected to provide tough competition again this spring.

Paddlers Plan Improvements For Pool This Season

The board of directors of the Paddlers swimming pool met Monday evening in the home of Horst Johnson, 3217 Wayne avenue, financial vice-president.

The budget for the coming year was approved, and the topic of personnel for the season was discussed, with the pool manager and two lifeguards from last season retained. A new assistant pool manager was employed along with one new lifeguard and a lady to run the concession stand.

Ralph Schmid, executive vice-president, reported that the pool hours will remain the same as last year, with the pool opening at 1 p.m. and closing at 9 p.m. unless the temperature is 86 degrees at 6 p.m., in which case the pool will be open until 9:30 p.m. Plans are being made for a few teen-agers nights, which will be posted in advance.

A water reclamation plan, set up by John Scherer in conjunction with Paul Morris, who has charge of operations, has received the approval of the Illinois state department of health and will be ready before the pool opens. This is expected to save thousands of gallons of water.

Morris also announced plans for increasing the parking facilities, installing an office behind the concession stand, erecting a second life-guard chair and adding a third diving board. The pool is in the process of being cleaned, and members are being requested to help the operations chairman.

The membership chairman, Mrs. Donna Hogan, briefed the directors on the opening day ceremonies and said that Keith Barker, pool manager, will be master of ceremonies and Mrs. J. C. Byers, chairman. The memorial plaque honoring Mrs. Vera McBride, who originated the pool project and led efforts to make it a reality, will be dedicated on the opening day of the 1960 season.

Mrs. Hogan reported only five memberships open for the 400 originally available.

The next board meeting will be April 18 at the home of Mrs. Eunice Hagler, 1628 Clark avenue.

R. D. Webb Goes Hunting With Slingshot Expert

A lesson in rabbit hunting with a slingshot was given R. D. Webb, retired business agent for Teamsters Local 535, who said he received instructions from an expert during a recent vacation trip which took him through Texas and on to the state of Washington.

Webb, who with his wife, Tene, recently returned home, said the expert was J. D. Robertson of Sundown, Tex., a relative of his wife.

He and Webb went rabbit hunting together. Robertson armed with a slingshot and Webb with a .22 caliber rifle. Webb managed to get three rabbits, while his hunting companion killed 10 with his slingshot and announced he had made a traffic accident in which Mrs. Webb was injured.

She recuperated while they visited Webb's brother, Allen Webb, in Seattle, and then returned to Granite City earlier this month.

Webb retired from his union office last Jan. 1.

Dow Inventors End Metal Extrusion Discoloration

Several years of experimentation with a relatively unknown process in the extrusion department at Dow Metal Products Co. by two employees has resulted in the solving of a knotty problem concerning the discoloration of magnesium extrusions at the company's Madison plant.

A patent titled "Prevention of Discoloration of Magnesium in High Temperature Wrought Operation" was issued this month to the Dow firm as the result of that work by Lyle G. Treat of Ferguson, Mo., and Donald J. Levy of Olivette, Mo. Inventors Treat and Levy were among a number of persons in the metal extrusion industry who had been puzzled for a good many years by the problem of metal discoloration as it contacted air while still white-hot after passing through dies which form the magnesium into a variety of shapes—beams, bars, pipe, cylinders, etc.

The problem was especially evident at Dow's Madison plant, where the largest magnesium extrusion operation in the world takes place.

Treat and Levy casting about for some process of preventing discoloration, hit upon a solution some two years ago which in practice is much simpler than the patent title sounds.

Gas Application
The application of minute quantities of boron trifluoride gas to the extruded shapes immediately after they left the dies, the two men found, did away with the blackening of the metal almost entirely.

The gas is stored in a cylinder, reaches the extruded metal, which is heated to between approximately 400 and 1000 degrees Fahrenheit, just as it emerges from the casting die.

Levy said the gas coats the extruded form "microscopically," thanks to a metering system, and that such small quantities of the gas are used that an average extrusion press gas cylinder needs replacing only once every two years.

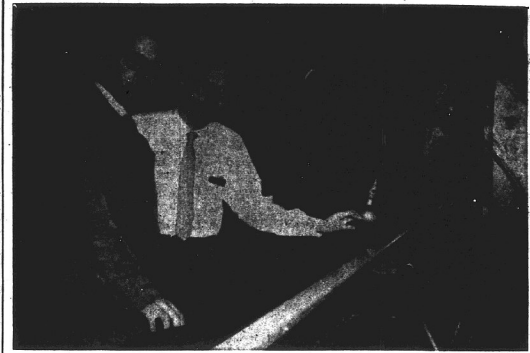

Treat explained that varying shapes were darkened and discolored to varying degrees before the process he and Levy discovered was put into practice.

Discoloration Vanishes
"For instance, if a thin wire is being extruded, discoloration is not so evident," he said, "since the wire cools quickly. But a larger extrusion such as a pipe or I-beam, the cooling process is much slower, and air seems to affect the discoloration to a greater degree."

The problem at Dow was solved by installing the patented process equipment at every press used for form extrusion.

The application of the gas in no way changes the quality of the metal extrusions, the inventors of the process said, but has done away with customer complaints of darkened, sometimes nearly black metal.

Levy and Treat mentioned that other Dow Chemical Co. personnel had earlier patented a process which prevents burning on the surface of molten magnesium and aluminum. The same gas—boron trifluoride—was used in this operation, but its application to hardened metal, as the first such operation of this type in the history of the metals industry.

INVENTORS Lyle G. Treat (left) and Donald J. Levy (right) of the Dow Metal Products Co. plant, Madison, stand by a magnesium extrusion press to which their invention, a gas treatment of extruded metal to prevent darkening and discoloration, has been applied. The process, results of which are evident on the magnesium beam being extruded here, has been patented by the Dow Co.

Daylight Time To Begin On April 24

Daylight saving time will begin in the Quad-Cities and surrounding area at 2 a.m. Sunday, April 24, with clocks turned forward one hour to afford longer evening sunshining during the summer.

The change is made each six months. The "fast time" effective April 24 will change again to regular time in October. Thus, the hour "lost" this spring will be made up in the fall. Television and radio time schedules also will be on daylight saving time.

Boy Scout Swallows Thumb Tack At Meeting

A Boy Scout swallowed a thumb tack Monday night as he attempted to secure a ribbon to the wall during a meeting at St. John United Church of Christ. Randy Sams, 13, son of Mr. and Mrs. Robert Gibson, 2820 Namoki road, put the tack in his mouth while adjusting the ribbon and got it stuck between his two front teeth. Trying to work it loose, he swallowed it. He was taken to St. Elizabeth Hospital and was transferred to Children's Hospital, St. Louis, where the tack was removed from a lodged position in his throat.

The Marshall school sixth grader is now home resting for a few days before going back to classes. Several other local residents received emergency treatment at St. Elizabeth Hospital on Monday and Tuesday. Gary Coppedge, 15, son of Mr. and Mrs. Yon Coppedge, 3004 Willow street, fractured the bridge of his nose after colliding with a fellow student playing basketball.

Joe Williams, 37, of 2035 Sherman avenue was arrested by Madison police at 3:40 p.m. Monday for blocking a roadway with a vehicle in the 1900 block of Fourth street. He was released on cash bond.

Industries Stress Need For Technical Schooling

The need for mathematics and engineering studies was stressed for 56 principals and vocational guidance counselors from high schools in Madison and St. Clair counties who met Tuesday night at the Granite City Steel Co. general office building.

In the first meeting of its kind, the counselors listened as five representatives of local industry and the dean of the Washington University engineering school spoke about the increased technology in all industry and its effect on the basic requirements and skills demanded of employees.

The meeting, jointly sponsored by Granite City Steel and the Union Starch & Refining Co., was conducted by W. R. Klostermeier, assistant to the director of industrial relations and personnel, Granite City Steel. Members of the panel, each of whom gave individual presentations, were:

Guy Brackett, product development engineer, Dow Metal Products Co.; Don Fischer, dean of the Engineering School, Steel Co., Dr. R. W. Lewis of Shell Oil Co., Guy F. Brackett of Dow Metal Products Co., Dean Don Fischer of the Washington University School of Engineering, and John McBride, vice-president and general manager of Union Starch.

The purpose of the meeting was to acquaint principals and counselors with the types of skills and educational backgrounds needed by industry in the future. The needs apply both to high school and college graduates.

Chairman Klostermeier said in greeting the group, "We hope the information you receive will better enable you to counsel both these students who intend to go on to college and those who plan to enter industry directly from high school."

Informational literature was distributed to all those attending. Granite City Steel and Union Starch served dinner to the group in the mill's employee cafeteria prior to the meeting.

Cancer Drive Kick-Off Dinner This Evening

With a goal of \$30,000, the Madison County Cancer Society will kick-off its annual drive this evening with a dinner at the Hotel Stratford in Alton. Over 200 volunteer workers are expected to attend and hear principal speaker Dr. Harvey R. Butcher, Jr., cancer coordinator and director in Washington University's School of Medicine.

R. G. Kleinschmidt is the drive chairman in Granite City and Mrs. Charles Wood will coordinate the campaign in Madison. A Venice chairman has yet to be named and a society spokesman. Alton said one will not be announced until next week.

Butcher received his A.B. from Central College in Missouri and his M.D. at Harvard Medical School. He was instructor in surgery at Washington University and assistant professor of surgery before becoming associate professor of surgery.

Besides the Easter Seal appeal letters, the society is raising money by distributing cards, with five notches for coins, to grade school children in Granite City, Highland, Livingston and Warden during Easter Week. Also, "coffee parties" are being held in homes in various Alton and Edwardsville neighborhoods to explain the society's program to women and ask for contributions.

The pupils who fill their coin cards will receive an Easter Seal "bunny" pin from the society. "Already these coffee parties have netted the drive \$51," Mrs. Roach said. "This will send two crippled children to summer camp for two weeks."

Free First Aid Course Offered in Madison

Instructions in American Red Cross First Aid will be given free of charge by Mr. and Mrs. Clifford Dunham, 1021 Grand avenue, in four weekly sessions at the Madison Recreation Center beginning April 7. The classes will be from 7:30 to 9 p.m. "Although the instructions are open to the public, about 100 persons who need background in first aid prior to going to summer camp should be especially interested," Mrs. Dunham said. Mr. and Mrs. Dunham have been instructors in the subject for over five years. Reservations can be made by calling Mrs. Dunham at TRiangle 6-0681.

SOCIETY

Mrs. Kohl Named To District Office In Jr. Federation

Miss Vicki Kirohoff, president of the Junior Minerva Club, together with 13 other members of the club, and four members of the Junior Maecenas Society, attended the spring dinner meeting of the Junior Clubs of the Federation of Women's Clubs, Tuesday evening at St. Phillips Church hall in East St. Louis.

After dinner a short program was given by the Almad Temple Chanters who sang a medley of songs.

A report of the nominating committee was given and the following slate of officers was selected: Mrs. Benjamin Hill, Wood River, district director; Mrs. Charles Kohl, Granite City Junior Minerva Club, assistant district director; Mrs. Dale Levine, Belleville, secretary; and Mrs. Dale Appleby, Wood River, treasurer.

Mrs. Gerald Spencer of Collinsville, presided at the final meeting of her term as Junior District Director, and special guests were Mrs. M. E. Bruns, president of the Illinois Federation of Women's Clubs; Mrs. James M. Segrave, district president; and Mrs. William P. Collins, state parliamentarian.

Mrs. Bruce gave a brief report of her activities as president and announced that Illinois women have contributed \$250,000 toward scholarships during the past two years.

The clubs reaffirmed their support of the Mental Health Clinics of both Madison and St. Clair counties.

Each president and member of the district board, as well as the special guests, were presented with yellow carnation corsages by the East St. Louis Junior Wednesday Club which was the hostess group. Approximately 100 members were present at the meeting.

Sr. Girl Scout Troop 44 Holds Court Of Awards

Senior Girl Scout Troop 44 held a Court of Awards Tuesday evening at St. Peter Evangelical & Reformed Church with 65 present, including the families of the Scouts.

A pot luck dinner was served at tables decorated in pastel colors in keeping with the Easter season. The invocation was given by Rev. Robert Baumann, pastor of St. Peter Church.

Awards given to the Scouts included program aide, child care, and library aide, as well as stars denoting years in registration in Scouting. The girls who have been registered with the troop since its organization received nine-year awards.

After dinner, slides were shown depicting the training sessions for the Colorado Springs senior roundup, scenes of the roundup site, and various troop camp trips. "Swap" items and snapshots were also on display.

As a Senior group, Troop 44 is now concerned with service projects, such as the making of cancer dressings, baby sitting for young children during PTA

Latin-American Theme At Junior High PTA Meeting

A Latin American theme prevailed at a monthly meeting of the Junior High School PTA Monday evening in the all-purpose room at Coolidge Junior High.

President Charles Jungels conducted the meeting and Girl Scouts of Troop 59 presented the colors and led the assembly in the pledge of allegiance. Mrs. Judy Stille directed the girls in the presentation.

The school Spanish classes gave three plays under the leadership of Mrs. Charlotte Thompson, Spanish teacher.

Karen Brown and Kathryn Thompson portrayed a retail clerk and customer, showing the commercial aspect of speaking Spanish; Bill Kaseberg and George Evangelou were a hotel clerk and guest, illustrating travel advantages; and Bettie Jones, Connie O'Guhn and Candie Wondra demonstrated an introduction.

Ray Henley, program chairman, introduced Robert D. Todoroff, instrumental music instructor of the junior high schools, and his Latin American rhythm ensemble. The group, attired in straw hats, Calipso

clothing and scarves, presented "Cachita," "La Ultima," "Reco-Reco," "Palcanelo," "La Enganadora" featured an instrument unusual in North America, the "celeste," a keyboard instrument that produces a bell-like tone. Todoroff explained that playing this type of music requires extensive training and a special aptitude for the rhythms.

Pianists were Donna Stadyuhar and Miss Phyllis Stout, with Judy Stegelmeyer. Bill Frey, Bill Nicpert, Karen Baumann, Kenneth Wille, Joyce Strotheide and Carol Grizard forming the rest of the group.

A business meeting followed, and Jungels reported that a mock convention is to be held at the high school April 1. Election of officers is to take place for the 1960-61 season at the next PTA meeting April 26.

School Board Officers Robert Edmonds and Homer Huber reviewed their qualifications and platforms, and urged everyone to vote in the school board election. Leslie Worthen, who is opposing them, was to be at the meeting but was unable to attend due to the death of his father-in-law.

Refreshments were served after the meeting by Mr. and Mrs. Charles McCollum.

Glik's Completes Store Remodeling

New lighting fixtures, additional heating and air conditioning equipment and enlarged window space are features of a recently completed remodeling job at Glik's Department Store at Third street and Madison avenue in Madison.

The remodeling, undertaken after a damaging fire last Dec. 2, has added an additional 3% of selling space to the store, manager Joseph Glik said. The height of some windows located along the Madison avenue store front has been increased from eight to 11 feet, admitting more light to the store interior.

Glik said new interior fixtures have been added to aid shoppers. In the rear of the store the marking and receiving room was more than doubled in size, he added. The interior of the building was also painted.

Gabriel Shrine 78 Installs Officers, 400 View Ceremony

Mrs. Ida Cariss and Arthur Talbot were installed as officers of the Gabriel Shrine 78, White Shrine of Jerusalem, Monday evening at the Masonic Temple. Approximately 400 persons, members and their guests, attended the impressive service.

The lodge hall was attractively decorated for the occasion. Talbaskets of pink carnations stood at the altar which was lighted with burning candles in candelabra tied with pink satin bows. There were candelabra at each station and white runners extended from East to West and North to South.

The ceremony was preceded by a program of organ music by Mrs. Lillie Schmidt, followed by the entrance of the Bible bearer, Mrs. Lida Thels, and escorts, Miss Frieda Michel and Mrs. Elfrida Barr.

The installing officers then entered and formed a line in the East. They were Lucille Poole, worthy high priestess; Edna

LeMaster, second hand maid; Sammy James, third hand maid; Ola Downing, worthy guide; Bernice Albertson, worthy chaplain; Ann L. Mueller, worthy scribe. Third row, Carmela Burnett, worthy guardian; Ann Burnett, worthy treasurer; Ira Medcalf, third wise man; Lloyd James, first wise man; John Downing, worthy guard; Wayne Richardson, king; Amy Orender, queen.

to banner, Amalia Jung and Marie Hoekstra; Christian flag bearer, Cara Hettich; escorts to Christian flag, Nancy Turner and Esther Jennings; stereopticon, David John and Floyd Mitchell, and soloist, Margaret Michels. Katy Merz and Margaret Champion were candlelighters; and Mary Ellen Lewis, worthy matron of Granite Chapter, Order of Eastern Star, and Lou Anderson, worthy matron of New Hope Chapter, served as usherettes.

The pledge of allegiance to the flag was given by Karmyn Edmonds, a past worthy high priestess, and as Mrs. Cariss was given her obligation at the altar she was presented with a bouquet of daisies from the Shrine. The presentation was made by Mrs. Edna Emde. Mrs. Cariss also received a gavel, the gift of Mr. Amy Orender, queen; Edna Cowan, first hand maid; Edna LeMaster, second hand maid; Lillie Schmidt, worthy organist; Carmela Burnett, worthy shepherdess; John Downing, worthy guard; Edna Smith, courier; Lolla Miller, matron of honor; Beverly Benoit, maid of honor; Maxine Davis, flower girl; Corinne Bird, madonnas; Cella Schreiber, angel; Mary Peters, color bearer; Hattie Briggs and Avis Joiner, escorts to flag bearer; Sadie Jones; escorts

Furniture Sought For Victims of Fire

Rev. Kenneth McDaniel, pastor of the First Baptist Church in Madison, and church members are currently conducting a drive to obtain furniture for the Orvin Shipley family, who lost all belongings in a fire at their home, 1317 Washington avenue, last Thursday.

Mr. Shipley is still in critical condition at St. Mary's Hospital, East St. Louis, from burns received in the blaze. Rev. McDaniel reports that Mrs. Shipley will come home tomorrow and one of the couple's children, Del-

In Shipley, 5, was released from the hospital this week.

The fire was caused by an explosion of gasoline fumes as Shipley was cleaning soiled work clothes.

Rev. McDaniel said the family has secured an apartment in Garasche Homes and will move there in the future. The furniture-raising group has received two beds and four chairs but still need another bed, tables, a sofa and clothes. Rev. McDaniel said.

"If anyone has the needed furniture and is willing to give it to the family he can contact me at the church and I'll see that it is picked up," Rev. McDaniel said.

Don Lock, Greensboro, N.C., outfielder had 30 homers and 122 runs batted in last season but fanned 167 times in 133 Carolina League games.

The miracle man of today sprinkles the salt of economy on the salt of necessities just to keep them from flying away.

A little pull may help some but good workmanship wins out in the long run.

You can't acquire people's confidence by knocking.

That it is picked up," Rev. McDaniel said.

PROGRAM ON INDIANS

Cub Pack Four of Logan school was addressed Tuesday evening by Dan Davis, 1345 Steel Co. employee and the fifth man to be adopted by the Ottawa Indian tribe. He was given the Indian name of Mi Shi Kan or Little Turtle last October. Davis wore an authentic Indian costume, including a war shirt of buckskin with fringe and braiding made by the Oklahoma Indians, moccasins and a headdress consisting of 150 feathers, twelve new and ten old, made by the Comanches. He has been active in searching for Indian relics and displayed them he has found, also demonstrating the use of the "peace pipe" and explaining the ceremony connected with it.

The meeting was presided over by James Woodford, cubmaster, and Dempsey Cross, assistant. Twelve new cubs and their families were welcomed into the pack. Mike Cross and Thomas Alfaro received awards. Mike Woodward and Gene Richardson received awards for attending each den and pack meeting during the last year, and Mrs. Georgia Woodford received year pins. A pinewood derby was held, with Mike Woodford placing first, Edward Grote second, Randy Sutton third and John White fourth. Grote won an award for the best looking cub. Den Four won the attendance cup, and refreshments were served to about 110.

Brownie Troop 51 started Tuesday evening to make "buddy bursters" for an outing this spring. The girls made rebird tags. Present were Judy Anderson, Nancy Proffitt, Kathy Cawrey, Sharon White, Yvonne Poe, Lela Lear, Debbie Westbrook, Regina Odum, Kathy Schoelitz, Kimberly Schefel, Debbie Seebold, Janet Stopkotte, Mrs. Lillie Anderson and Mrs. Betty White.

Mr. and Mrs. Norman Gardner and daughter, Donna, 2764 Circle drive, entertained Tuesday morning for guests of their son-in-law and daughter, Mr. and Mrs. Harold Shelton and family of Iberia, Mo. They also were at Kirkville, Mo.

Den Four of Cub Pack Four met Monday with Mrs. Lillie Anderson and Mrs. Ruby Gromer. They were on craft for the pack meeting. Present were Randy Wright, Ronald Westbrook and Dell Harbison.

HONORED ON BIRTHDAY

The 13th birthday of Janet McBrian was observed Sunday with a dinner served in the home of her parents, Mr. and Mrs. William McBrian, 1638 Second street. Dinner was served to Miss Nancy Layman, Mrs. Estelle McBrian and Miss Margaret McBrian, and a theater party was enjoyed by Pam Hinson, Sharon Falgout, Donna McBrian, Margaret Champion, Charles Adams and Bruce McBrian.

The group returned from the theater and enjoyed a decorated birthday cake and ice cream. Gifts were opened by the honoree. The remainder of the time was spent dancing on the patio.

"The Way in Africa," a book study, was completed Monday evening in the home of Mr. and Mrs. Wesley Clemens, 1703 Third street. The study was in four parts and was attended by Mrs. Thelma Black, Mrs. Estelle McBrian, Mrs. Mayme Yallow, Mrs. Emma Graves, Mrs. Nova Sanders, Mrs. Minnie Martin and Rev. and Mrs. H. E. Dickey. Mrs. Catherine Orak served refreshments.

MISS SANDRA NONN HONORED AT SHOWER

Miss Sandra Kay Nonn, daughter of Mr. and Mrs. Edward Nonn, was the honor guest at a bridal shower Sunday afternoon at the Polish Hall in Madison. She will become the bride of Dale Cattone April 23 at St. Joseph's Church in Granite City.

Arrangements for the shower were made by the grandmother, Mrs. Lily Nonn, and aunts, Mrs. Margaret Cuchick, Mrs. Kathryn Crawford, Mrs. Marie Miller, Mrs. Lucille Burns, Mrs. Betty Daughity, Mrs. Marian Nonn and Mrs. Mary Nonn. The decorated gift table was overflowing with packages opened by the honoree with the assistance of Miss Mary Margaret Nonn, who will be the maid of honor, and Miss Donna Miller, one of the bridesmaids.

Games filled the remainder of the afternoon, with prizes of aprons given to each winner. Refreshments were served from tables decorated for the occasion and centered with bouquets of red roses. The large cake was topped with red roses, and favors were red and white peppermint candies. The head table was centered with a miniature wedding party. Those present were Mesdames

Dorothy Wheeler, Ann Walker, Dorothy Wozniak, Evelyn Wilks, Sarah Nicole, Barbara Wood, Amelia Prenor, Helen Biliak, Martha O'Day, Blanche Wilson, Betty Heller, Helen Heller, Marie Zimmer, Meryl Kahler, Dolores Brunick, Edna Miller, Julia Pearce, Wilma Valena and daughter, Ruth Ann, Alice Worthen and daughter, Diane Darlene, Alice and Debbie, Alice Nonn, Pauline Holman, Ansel Catter, Arnold Williams, William Cretin, Cletus Cattone, Georgia Peeney and daughter, Trudi, Carol Williams, Bonnie Fleher, JoAnn Kubeck, Barbara Jean Valencia and daughter, Vicki, Jean Teller and daughter, Linda, Katie Smith, Erma Hardest and Miss Judy Fester, Stephanie Stawar, Mary Thomas and Georgia Taylor.

The Intermediate group of the Tadpole Squares received a surprise treat at a regular meeting Monday evening. A guest caller, Larry Unfried of Granite City called for the evening, mixing dances between a "showdown" and pattern dancing. He taught the group several new steps and combinations. A short business meeting concluded the evening, with Gary Brown elected president, Jimmy Melton vice-president, Cheryl Brown secretary and Susan Boyd, treasurer. The meeting was held in the recreation rooms of the Garchose Homes. Counselor was Edward Boyd.

BRIDAL SHOWER HONORS MISS DONNA LEWIS

The American Legion home in Madison was appropriately decorated with white streamers, wedding bells and umbrellas for a bridal shower held in honor of Miss Donna Sue Lewis, daughter of Mr. and Mrs. John Lewis, 1628 Fourth street, Sunday afternoon.

Miss Lewis will become the wife of Tom Grimes, son of Mr. and Mrs. Lester Grimes, at St. Mary's Catholic Church May 14. The shower was given by Mrs. Isaac Lewis sr., Mrs. Robert Jones, Mrs. Lester Grimes and Mrs. John Lewis. The gift table was centered with a wishing well and streamers. Mrs. Florence Corbett of St. Louis was in charge of decorations for the event. Favors were miniature birdhouses centered on lace doilies.

Refreshments were served by the hostesses. Games were played with prizes awarded to each winner. The gifts were opened by the honored guest, Miss Elaine Prince, and bridesmaids, Charlotte Lewis, Peggy Grimes and Pat Wilkerson. Those attending were Mrs. Barbara Fulkerson, Mrs. Rose Mary Coleman, Mrs. Jones, Mrs. Earl Coleman and Mrs. Dorothy Peterson, all of East St. Louis, Mrs. June Guiney, Mrs. Florence Corbett, Mrs. Hazel Day, Mrs. Reba Krisher of St. Louis, Mrs. Effie McQuay and Mrs. Betty Jones of Collinsville, Mr. and Mrs. Edward McQuay of Girard, Ill., Mrs. Betty Kline, Mary Yakubak, Victoria McQuay, Hattie Foley, Jessie Quillman, Grace Grimes, Hazel Eaton, Mary Sally, Lorenz Lewis, Julie Nischke, Myrtle Werner, Elizabeth Ashby, Alice Rumpf, Roselynn Wilkerson, Leona Minemeyer, Diana Grimes, Alice Stern, Emmett Prazia, Florence Spahr, Judy Falgout, Dorothy Lindsey, Mrs. Beverly Benoit and daughter, Phyllis Jean, and Mesdames Elsie Durborow, Marilyn Durborow, Grace Hamilton, Marie Stawar, Dorothy Leorch, Nellie Hill, Mattie Bosworth, Mildred Huthings, Margaret Michael, Pat Laurie, Golda Granger, Ruby Nelson, Lucille Duval, Glenda Duval, Jerry Hill, Debra Hill, Mary Lou McKinney and Adelle Grimes.

Banquet To End PTA Leadership Course

The PTA Leadership Training course concludes its four-week program Saturday evening with the presentation of certificates to 25 participants at a banquet in the Granite City high school cafeteria.

The course, held every Saturday since March 12, was given to train interested lay people in PTA organization and meeting procedures.

Henry Karandjoff, chairman of the Granite City Trust & Savings Bank, will be the main speaker at the banquet. Supt. of Granite City Schools, Dr. Harold Kaiser will present certificates of the school district and Mrs. V. J. Brazier, director of PTA district 29, will present Illinois Congress of Parents and Teachers' certificates.

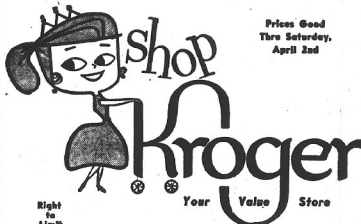

Other guests at the banquet will be Rev. and Mrs. Calvin Marcum, Mr. and Mrs. A. Wittervongel, Earl Lee, V. J. Brazier and Mrs. Kaiser.

During the afternoon of the final session, Waldo J. Sizemore, past president of the Granite City area PTA council, will address the participants on "Your Role as a Discussion Leader."

Shortly afterwards, current president Harry C. Wood will lead a discussion on "Tools of Discussion."

Fender Skirts Stolen

A set of fire engine red fender skirts was stolen off the auto of Anthony Cline, 2501 East 25th street, while it was parked at 20th street and Madison avenue between 6:45 and 9:15 p.m. yesterday, according to a report to Granite City police.

MORE ABOUT Council Supports

(Continued from Page 1)

(federal) government. The Citizens Committee stands ready to cooperate in whatever way it can to assist the council in this matter," Hoeheiser said.

The basic argument against awarding the engineering contract to Sheppard, Morgan & Schwab was the "total not exceed the sum of \$120,000" price tag, as compared to bids of \$97,800 submitted by Horner & Stearns, St. Louis, and \$114,000 by Clark, Daily & Dietz, Champaign.

Nonn Quits Committee

Alderman Walter Nonn, a member of the council's special sewer committee, resigned after the rescinding motion failed to carry, continued his opposition to the Sheppard firm. However, his argument fell flat as Donald F. Cairns, engineer for Granite City Steel Co., who has been working with the Citizens' Committee, pointed out the Sheppard proposal was the only one to provide a credit for subsequent engineering services should the sewer and drainage project be carried out.

Cairns, who said copies of the four engineering proposals obtained by Vesel had not been made available until late last week, said he also noticed several firms would require payments while the preliminary survey work was underway, while Sheppard would not require payment until the federal money becomes available from the Housing and Home Finance Agency.

No Verdict. After Hoeheiser opened the contract discussion with his statement, Nonn began the debate and attacked the Citizens' Committee for not recommending negotiations with three engineering firms instead of one.

"That's what we asked for; it's in the record," Nonn should, calling for verification from other aldermen. None of them recalled any such provision. Nonn accused the citizen group of "writing a one-way ticket," and concluded his remarks by stating he wanted to get the job done for the community.

Mayer Davis interceded, halting any further discussion and calling for a motion to either approve the Sheppard contract or to rescind the Feb. 15 motion of authorizing contract negotiations with the firm.

Nonn presented the motion to rescind action, and it was seconded by his companion Fifth Ward Alderman, Steve Basarich. Discussion was resumed.

Alderman Mrs. Gabrielle Bettine urged support of the Citizens' Committee recommendation. She said the council committee had assumed a responsibility it did not have in negotiating with several engineering firms instead of the one recommended for the job. She said the council committee's action was "like taking a pillow and scattering feathers all over the city."

Vesel Supports Citizens. Vesel, who voted against the motion to rescind and voted for continuation of negotiation with the Sheppard firm, told the council his main concern in submitting alternate engineering proposals was to endeavor to learn if the city was getting a preliminary survey of as wide a scope as necessary. "I asked the council to study the proposals and determine why the difference in price. My concern is to get a thorough survey, and I asked if the survey would be as thorough at a lower price."

Nonn told the council that Vesel had received much criticism over the proposals, and said if the contract went to the Sheppard firm, he would "hit the door of every home in my ward and tell them all about this."

He was rebuked by Alderman Charles Meyer, who commented he hated to see the contract become a political issue. The debate and discussion continued for another 20 minutes before the vote was called on the motion to rescind.

Record Of Voting. In seeking to override the previous contract vote, Nonn was joined by Alderman Meyer, Paul Rutledge, Frank Nemeth, Basarich and Samuel Shackelford. Voting against the rescinding action were Alderman Rufus LeMaster, Donald Partney, Casmer Skubish, Samuel Whitmer, Mrs. Bettine, Emerald Dawes, Robert Gaughan, Arthur Wierzer and Vesel. Absent was Alderman Estill Von Schmitt, the third member of the council's special Sewer Committee.

The vote for preparation of a resolution to continue negotiations with the Sheppard firm followed: "aye"—LeMaster, Partney, Nemeth, Skubish, Whitmer, Mrs. Bettine, Dawes, Gaughan, Wierzer, Vesel and Meyer. "No"—Nonn, Meyer, Rutledge, Basarich and Shackelford.

Two Area Teenagers Hurt In Minor Mishaps

Two Granite City teenagers were treated at St. Elizabeth Hospital Wednesday for injuries received in minor mishaps.

Jimmy Parks, 16, son of Mr. and Mrs. Willard Parks, 1725 Edison avenue, injured a finger on his right hand while playing football. X-rays were taken and he was referred to a family doctor.

Michael Wiley, 15, son of Mr. and Mrs. Alvin Wiley, 1851 Joy avenue, cut his right thumb on a piece of metal and had three sutures applied to the wound.

Don't place yourself on a pedestal—you are apt to be called down.

Mayors' Council Seeks Bi-County Airport Study

A resolution asking the boards of supervisors of Madison and St. Clair counties to investigate the need for organization of a Bi-County Airport Commission was adopted last night during a meeting here of the Southwest Illinois Council of Mayors.

Granite City Mayor Davis, president of the newly formed mayors' group, was the host.

The 22 mayors present referred to their executive committee a proposal by Dr. Seymour Mann, director of public administration and metropolitan affairs for the Southwestern Illinois campus of Southern Illinois

University, for the SIU staff to serve as secretariat for the council.

Dr. Mann said the committee are to meet prior to the council's next regular session on April 27 at Monticello, when a recommendation will be made.

The professor said the university staff could provide numerous services to the mayors' council, such as research, an academic teaching program to instruct prospective municipal employees and a service program. He explained the services would be similar to those provided by SIU, St. Louis University and Washington University for the Pilot Committee On Bi-State Development.

The mayors also voted to employ a secretary at a salary of \$30 a month plus expenses, and authorized the council secretary and treasurer to purchase stationery after a design is selected

3 Charged With Armed Robbery; 4th Is Sought

Two Granite Cityans and a Madison resident were arrested by St. Louis police last night in connection with the slugging of a St. Louis drug store and have been charged with armed robbery in warrants issued by the circuit attorney's office.

Held in St. Louis today were Frank Ray, 21, of 1195 Grand avenue, Madison; Esther Gra-

ham, 22, of 2130 Cleveland blvd.; and Paul Hasty, 30, of the 2000 block of Washington avenue.

Officers of the fifth district in St. Louis said this morning that the trio had admitted the armed holdup of the Speckart Drug Store at 5000 North Broadway at 9:50 last night, and also implicated a fourth person identified as a 34-year-old Granite Cityan.

He escaped following the holdup and is still being sought today by St. Louis and Granite City authorities.

Edward Speckart, 39 Oak Park drive, Creve Coeur, owner of the drug store, told police three men, two of them armed with revolvers, entered his store shortly after 9:30, took an undetermined amount of cash from a register and then forced Speckart and several customers in the store to sur-

render their wallets.

The bandits took an empty wallet from store druggist Louis Nottaker, a wallet containing \$88 from Joe Fitzgerald, 28, and \$113 in cash, two wallets and three revolvers from the automobile.

St. Louis police said witnesses have identified the three under arrest as participants, and that all three have admitted taking part.

Police in Venice, Madison and Granite City were notified at 9:55 p.m. to be on the lookout for the getaway car, since St. Louis police felt the robbery suspects might try to cross into Illinois after police had learned Ray's address.

A pickup order for a second Madison resident, wanted for questioning in connection with the robbery, also was issued. Madison police located him and he agreed to report to St. Louis.

George Lash, stopped an auto police for questioning last night.

They arrested Hasty and the Graham woman and recovered \$88 from Joe Fitzgerald, 28, and \$113 in cash, two wallets and three revolvers from the automobile.

GCAARC Preparing Plans For State Convention In April

The Granite City Association for Aid to Retarded Children met Monday evening at St. John United Church of Christ on N. Meek Road. Mrs. Joseph DeRuntz, president, conducted the meeting.

Dr. Kenneth Hubbell of Fairfield, Ill., director of the Southern Region in Illinois, addressed the group and stressed the importance of state conventions. The next convention will be held April 29-30 at Mount Vernon and delegates from the local organization are to be Mrs. Paul Baker and Mrs. Ivan Belkoff.

Mrs. Vivian Lupardus gave a report on the help and cooperation the group is getting from Harold Brown, Wilson Park athletic director, in connection with a day camp for mentally retarded children of the area to be held June 20 through July 1.

Available to the children this year will be swimming, roller skating, bowling, handcraft, and possibly folk dancing. Netherland school will be used to store equipment and the cafeteria or gym will be used when the weather will not permit outdoor activities.

Mrs. William Coyle, chairman of the ways and means committee, discussed a concession stand the association will operate at the convention.

Charged With Speeding

Two motorists were arrested early this morning by Granite City police and charged with speeding 50 miles an hour. Floyd K. Ritter, 22, of 2817 Hodges Avenue, was arrested at Washington and Hodges Avenue; while James F. Glass, 28, of 1720 Venice Avenue, was arrested at 25th and Lowe streets. Both were freed on bonds.

Wilson Park for the July 4 celebration. Hot dogs, and possibly coffee and soft drinks will be sold. A committee of eight members was appointed by Mrs. DeRuntz to organize the project.

Also discussed was the station wagon the Twilight Optimists contributed to the group. It has been used for the past week to transport the children to and from classes.

Approximately 24 persons attended Monday's meeting.

Salvation Army Re-Elects Officers

All current officers of the Salvation Army board of directors were re-elected to terms for 1960 during a meeting held at noon yesterday at Salvation Army headquarters with new post commander Capt. Mildred Walker. Re-elected were Irby Todd, chairman; Al Michel, vice-chairman; Arthur Harris, secretary; and Robert Trower, treasurer.

Board members discussed the lack of adequate space for present youth programs and activities carried on by the post. It was agreed that the board will attempt to locate suitable space which can be rented for young people's gatherings.

A memorial service for the late Mrs. Robert Dron, active for many years in Salvation Army work here, was conducted by Roy

Levee Districts Meet

Flood conditions and other problems facing levee districts on both sides of the Mississippi River from Alton to Cairo were discussed at an annual conference of levee board representatives at 10 a.m. today in East St. Louis. The conference was sponsored by the U. S. Army Corps of Engineers.

Lynn, Mrs. Dron, who died last week, was one of the first members of the Salvation Army board here, and lighted the first bulb on the first "Tree of Lights" sponsored by the local post.

A memorial fund is to be established in her honor by the board of directors, with donations to the Salvation Army by her friends to be placed in the special fund if so desired by the donors.

Club Will Seek More Industry In Madison

Launching a program intended to encourage more business and industry in Madison, the Madison Rotary Club yesterday made plans for a series of meetings on the topic. Harlan Dority, Chamber of Commerce executive secretary and Sam Meyer, C. of C. president, are to be invited to a question-and-answer session at next week's Rotary meeting.

Plans also were made to confer with area bank officials and with the federal Small Business Administration. Mike Sasyk led a group discussion on the subject, and President Joseph Purdes presided.

The world may go round, but many feel they don't get their share.

Herbert J. Gillham Is Navy School Graduate

Herbert J. Gillham, seaman apprentice, USN, son of Mr. and Mrs. Arthur Gillham, of 2109 1/2 N. 1st St., graduated this month from the radian school at Norfolk, Va.

Income Tax Refunds Being Placed In Mail

"Early-bird" filers of Federal income tax returns are being paid off by early receipt of refund checks. Jay G. Philpott, district director for the Springfield district, said 350,000 refund checks already have been scheduled for local taxpayers.

"These first 1960 refund checks," Philpott said, "are going to those taxpayers who were the first to file their 1959 returns and who had a refund due them."

Some of the early filers, Philpott said, have been notified by letter that their refund checks will be delayed because their returns required a pre-refund audit.

"But because they did file early," he said, "their pre-refund audit already is underway and they therefore will receive any refund check due them that much sooner."

"So," Philpott advises, "file now and get any refund due you that much sooner, too."

"And make sure," he added, "that you do not omit any essential information, such as your signature (and that of your spouse if it is a joint return), and your W-2 tax withholding form."

FHA Queen To Be Crowned Saturday At Venice School

The 1960 FHA queen of Venice high school will be crowned at the fourth annual Future Homemakers of America dance and coronation Saturday evening in the Venice school gymnasium.

Candidates are Ramona Allen, Margaret Boushard, Frances Mangi, Donna Minks and Judy Edwards. The new queen will be crowned by Theresa Bauer, last year's winner.

The dance will last from 7:30 to 10:30, with a band providing music. The coronation is planned for 10 p.m.

Theme of the event will be "March of Time," and girls attending will be attired in formal.

"Also," he continued, "print your address as legibly as you can print it."

"Finally, don't write in asking where your refund check is because such letters only slow down the entire refunding process," Philpott said.

The local Internal Revenue Service office, 1925 Edison avenue, is open on Fridays to give assistance to Quad-Cityans in filing returns.

VENICE SCHOOL FHA QUEEN candidates are (left to right) Margaret Boushard, Frances Mangi, Ramona Allen, Judy Edwards and Donna Minks. The coronation will take place during a Future Homemakers' dance Saturday evening.

'JUNIOR FOLLIES' a production sponsored by Granite City high school junior speech students will be presented in the school auditorium at 8 o'clock tonight. Shown rehearsing, front row, left to right, co-director Gloria Zlatz, Kathy Galinski, Carl Johnson and co-director Larry Diak. Back row, standing, Antra Robertson, Richard Weiss and Carlene Butler.

A rare cookbook of 1792 in Michigan State University Library recommends that American housewives save money by making meatless gravy of beer, water, sliced onion, spices.

Two former Yankee right fielders met in Kansas City when George Selkirk, Kansas City player personnel director, signed Hank Bauer to a 1960 Athletic contract.

wo-Car Collision
A charge of failing to yield right-of-way was placed against Edna Lomax, 24, of 2841 Willow avenue, who was involved in a traffic accident Tuesday at 20th and Adams streets. She posted a driver's license as bond. Police said she was driving with an auto being driven on 20th street by Bobby Young, 24, of 2817 Cayuga street. No injuries were reported.

Warrant Filed For Dog Law Violation

A city warrant charging him with permitting a dog to run at large in violation of the city dog control ordinance was served Tuesday afternoon on Edward E. Lane, 36, of 2213 Nevada street. Lane posted \$50 property bond for his release to appear for a hearing April 12.

Madison Streets Will Get Spring Cleaning

Motorists are requested by Madison Street Supt. Stanley Lucas to refrain from parking on streets the days they will be swept in the annual spring street cleaning project starting tomorrow.

"Although the police and I will place notices on parked cars the day before the street will be swept, we can't possibly contact all prospective parkers," Lucas said. "Cooperation by motorists can greatly speed up the whole project."

Madison avenue will be the first street to be cleaned and because it is the city's busiest, work will begin at 6 a.m. instead of 7 as will be the case for other streets. Grand avenue from 14th to Eighth street will also be swept tomorrow.

The rest of the first schedule is: Monday — Second and Third streets from State street to McCambridge avenue; Tuesday — Fourth and Fifth streets from McCambridge and Seventh street from State to Alton avenue; Thursday — Eighth and Tenth streets from State to Alton and Lee avenue from Tenth to Seventh.

In case of rain the schedule will be carried over until weather permits.

"THE KING'S CHORALERS," a 34-voice choir from Central Bible Institute that will sing next Tuesday evening at the First Assembly of God Church, 24th street and Grant avenue. The pastor, Rev. Paul Evans, said the program will begin at 7:30 and will feature religious music as well as talks by Donald Corbin, a student choir member, and Rev. Gene Hogan, alumni executive secretary of Central Bible Institute. The choir is on tour from Springfield, Mo., through Illinois, Indiana, Michigan, Ohio, Pennsylvania, Maryland and the District of Columbia.

\$2453 Given In Venice Drive To Aid Crippled

Net proceeds from all phases of the Venice Crippled Children's Organization's 1960 fund drive total \$2453, a final report showed this week. The amount includes \$110 raised at the final event of the drive, a firemen-city officials basketball game last week. Other activities included the group's annual benefit dance in January. Mayor John E. Lee, president of the organization, this week announced plans to call a meeting of the members in April to decide on disposition of the funds.

National Library Week Observed Here April 3-9

The Granite City public library, which observes "National Library Week" April 3 to 9, "The week is set aside each year to encourage lifetime reading habits, to explain the use and stress the support of libraries of all kinds," local librarian, Mrs. Mary Knutson, said. "Theme of the 1960 observance is 'Open Wonderful New Worlds,' which calls attention to the varied resources available to the public through the library."

Mrs. Knutson said the library is planning a week-long program of tours for schools, displays of new juvenile and adult books and other activities to call attention to the week.

"We hope that everyone in Granite City will take advantage of Library Week," she said. "Library Week is sponsored by the National Book Committee, a non-profit organization, in cooperation with the American Library Association."

Among the outstanding books of 1959 currently available at the Granite City library are historical novels "Dear and Glorious Physician" by Taylor Caldwell, the story of the transformation of the Greek physician Lucanus into the spiritual healer St. Luke; Hamilton Basso's "The Light Infantry Ball," a story of the effects of the Civil War upon one man.

Under the classification Modern Views and Conflicts, "Command the Morning" by Pearl Buck, a look at man's new horizons and problems in the atomic age; "The War Lover" by John Hersey, author of "A Bell for Adano" and "Hawaii," a history of the islands by James A. Michener.

Biographies and autobiographies available include "Act of One," Moss Hart's description of his early struggles to win success as a playwright; "Affectionately," F. D. R.'s Roosevelt's qualities as a father and family man as described by his son, James Roosevelt; "I Remember," by the author of "Dr. Shiva," "Horse Pasternak" and "St. Louis Woman," Helen Traubel's account of the ups and downs in her own career as a famous operatic star.

CD Unit Recommends
The Office of Civilian Defense Mobilization is recommending to TV viewers a production entitled "Atlas, Babylon," George Schumacher, Granite City civil defense director, said today.

The TV production is the dramatized story of survival in a small Florida town isolated after a fictionalized H-bomb attack on the United States. It will be televised Sunday from 6 to 7:30 p.m.

The story is based on the novel by Pat Frank, and is set in a town in central Florida named Fort Repose. When the H-bomb hit, Miami and the Tampa-St. Petersburg area were the first to be wiped out, followed by Jacksonville and Orlando.

Fort Repose is not hit but is isolated from the rest of the country, in which "millions have died." The town carries on, but the story deals with its people, who are thrown back on their own primitive ingenuity for survival.

City's Bills, Payroll Totals \$35,608

A weekly bill list of \$2508 and a half-month payroll of \$33,100, totaling \$35,608, were approved Monday night by Granite City council members. The payroll was for the last half of March.

Included on the bill list was a payment of \$450 to Tri-City Heating & Air Conditioning Co. for heating and air conditioning work completed on the new fire station. A bill of \$35 from Reinhardt Agency for additional premium due to April 24 on the new fire station also was approved.

Repairs to city vehicles amounted to \$444 and maintenance costs were \$201, not including a \$25 tow charge to pull a garbage truck out of a snow bank in an alley at Oak street.

Cost of 1292 gallons of gasoline, 123 gallons of oil and 50 pounds of grease was \$356, paid to Federal Oil Corp.

There also was a payment of \$100 to the U. S. Conference of Mayors for 1960-61 dues. Expense allowances approved were \$50 for Civil Defense Leader Victor Koenig, \$30 for Alderman Shackleford, \$30 for Alderman Walter Norn, \$30 for Alderman Ernest Dawes, all in March, and \$90 for Alderman Frank Veseli for expenses from May 1959 through February.

About This Question

"It cost us \$4000 to replace that portion of our home destroyed by fire. The insurance adjuster allowed us only \$3100 as the depreciated value (deducting for age and condition). We know this is proper, but could our fire policy have been endorsed to pay the full replacement cost?"

Trade One Machine for Another?

Considerable hoop-de-de is being raised about the forthcoming East Side Levee and Sanitary District election. Ordinarily, we don't take too direct an interest in it; few of our readers live in the District (although many are affected by it) and therefore, few of them have a chance to vote on it. None of the candidates are local people.

But almost simultaneously, St. Louis and Alton newspapers have jumped into the Levee District election. The general theme is that the East Side Levee District is a bunch of hoodlums who should be thrown out. If these folks, as much outside the East Side Levee District as we are, can show their deep concern, so can we.

We might all do well to recall the time when flood waters destroyed millions of dollars worth of property and endangered thousands in St. Louis. The same Mississippi River which played havoc on the Missouri side didn't cause any worry down in the cane yards and steel plants of East St. Louis and Granite City. They were safe behind what the late Kenneth T. Ogilvie, president of the East Side Levee District, used to describe as "the best levee system in the United States." He used to claim that the Army engineers who inspected levees all around the country told him so.

He may have been stretching it, but nobody disputes the fact that, whatever you may think of the people who manage it, the East Side Levee District's levee system is a good one. The objection seems to be (1) the large numbers of people who work for the Levee District give it a powerful leverage in local and even state politics; (2) the Levee District does not have to submit its bonds to referendum; (3) the Levee District is accessible.

We haven't noticed the opposition candidates proposing to curtail the number of people working for the Levee District. We haven't noticed the opposition candidates proposing to remove the bonding power of the Levee Board. The opposition candidates will undoubtedly talk about cutting costs, of course.

A St. Louis newspaper referred to the "so-called" reform candidates. Actually, the Levee District voter is faced with a choice between a state favored by the Al Field organization and a state favored by the Tauchert-Contreuil crowd. Each has established a considerable reputation for gerrymandering and class political control of its house.

We don't expect for a minute that changing from the present control of the East Side Levee Board to the state offered by the other crowd is going to change its approach to life. Under the circumstances, all the voters would accomplish would be to subscribe an inexperienced group of managers for an experienced group who are admittedly getting the job done.

Practicing Without Track, Warrior Track Team Has First Meet Friday

A Granite City track squad, without a track will venture into dual-meet competition at 4 p.m. tomorrow at Wood River.

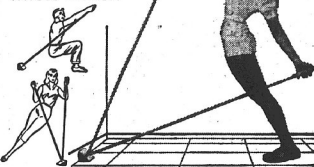

Jack Richardson's squad has been doubly hampered this year by lack of practice time and facilities. Due to weather, the track is bumpy and not suitable for the Warriors have had to limit their practice to the locations near the school.

The distance runners are using Wilson Park and the hurdles are being practiced at the school parking lot.

"Without facilities and, of course, with the bad weather, we haven't even had many time trials," Richardson said. "This year we will be using the school parking lot for practice, although we want to win."

Without the use of time trials, Richardson is unsure who are his best prospects and what the newcomers can do. So far, Ken and David Davis and Harry Evans in the low hurdles, David Davis in the high hurdles, Ron

Coolidge Tennis Squad Has Only 3 Returning Lettermen

Undeclared in 12 games over a two-year span, Bob Whelan's Coolidge tennis squad has been hampered in its hopes of continuing the string by lack of practice and lettermen. Only three players return from last year's team.

"Weather has been hampering our practice plans," Whelan said. "But we have one thing in our favor; our opponents are in the same boat."

Bill Logan, Mike Barnes and John O'Dell are the only returning lettermen, but Whelan has high hopes for eighth grade prospects, including Bob Lancaster and Bob Karavay.

Coolidge 9th Grade Track Squad Will Enter Alton Meet

The East Junior High of Alton invited track meet will be one of the highlights of the current Coolidge ninth grade track season.

"The meet is annually one of the area's top ones on the ninth grade level," Coach Frank Kraus said. "Every year there are between eight and ten schools participating. In 1957 we placed second and the next year grabbed third, but last year we didn't compete. So we're anxious for another crack at it."

Kraus has 35 candidates out for the squad. Only nine are lettermen from last year's eighth grade team but four are being cited as excellent prospects. They are Larry Wortham, Larry Noblin, Vasil Vangel and Bill Lancaster.

The 1959 squad compiled a 4-2 record, with both losses coming at the hands of the Cahokia freshmen. The team competes in 12 events, 50, 100 and 220-yard dashes, 440 and 880-yard runs, 880 relay, 120-yard low hurdles, discus, high jump, broad jump and pole vault.

The schedule:
April 18, At Alton West Junior High, 4 p.m.
April 14, At Wood River, 4 p.m.

Madison's Distance Hopes Lie With 2 Freshman Track Team Candidates

Help from two freshmen track team candidates, both of whom earned cross-country letters last fall, could give Madison high school good balance on the cinder paths this spring. Trojans Track Coach Charles "Buddy" Mueller has observed after his 25-man squads first week of indoor work.

"But we are really hurting when it comes to hurdlers and weight men," Mueller added. "No one qualified in the high or low hurdle events or in the shot and discus department among the six lettermen returning this season, and Mueller feels he will have to 'start from scratch' in these departments."

Freshman Distance Coach The freshmen Mueller counted on in the distance races, at least before the season gets underway, are George Bethall and Ray Coleman. "Right now I'd say Russell will concentrate entirely on the distance events, while Coleman may earn himself a spot on the 880-yard relay team," Mueller said.

Letterman Ed Walker, if Russell comes through in the fashion expected by Mueller, will limit himself to the 880 and perhaps both the 880 and mile relay events. The big junior was a miller for the past three seasons.

Bypassing the hurdle and weight events, Madison appears solid. Three of the four men-

bers of last season's 880-yard relay squad which performed well have returned this spring. All lettermen, they include Ken Griggs, Willie Petty and Ulysses Foster. The Trojans, Mueller feels, should have a real contender in this event if Coleman comes through.

Forster, Petty and Earle Ferguson give Madison depth in the dash and middle distance events, while Griggs and Fred Seckert, another letterman, are looked to in the broad jump and pole vault departments. The mile relay team will be built around Walker and Ferguson.

Hoping to move his workouts outside this week, Mueller has issued track equipt to squad members. The Trojans' first scheduled meet this season is an affair with Bethall and Ray Coleman. "Right now I'd say Russell will concentrate entirely on the distance events, while Coleman may earn himself a spot on the 880-yard relay team," Mueller said.

GC Baseball Team Opens Season Saturday

John Rains and Joe Holder will be the starting pitchers Saturday as Granite City launches its 1960 baseball season with a double-header at Dupu starting at 7 p.m.

Despite the many problems facing the team, including shortage of practice time for several key members who were on the basketball team, Coach Joe Fedora is optimistic about Saturday's opener because of an intra-squad game played last Saturday.

"We played nine innings and the pitching was especially good," Fedora said. "Rains pitched a total of five innings and struck out eight while walking only two. All three pitchers, Rains, Holder and Dave Dumoulin, walked only eight batters. This is a real good sign so early in the season."

Although the hitters cracked out 16 hits, including three for extra bases, Fedora had his players practicing mainly on this phase of the game this week.

The centerfield problem may not be as great as anticipated, Fedora pointed out. Harry Smith has been working out at the position and will probably start at though several junior varsity players also have looked good in the outfield.

Fedora also was encouraged by the performance of the infield. There was only one fielding error, and most of the players handled themselves with skill.

Bob Price, a transfer student from Madison since last spring, is a doubtful player Saturday because his arm is not ready as yet. "Price is one of those pitchers who will take a while to get into shape, and he has had only one and a half weeks of practice," Fedora said. "Except for the starting pitchers, Fedora is undecided about his starting nine. He will make his decision this afternoon or Friday."

Eddie Aracero has ridden in six of the eight Laurel International races. He won with Fisherman in 1954.

Committees Start Work On New City Budget

Early preparation of the city's 1960-61 budget was urged Monday night by Alderman Paul Rutledge, chairman of the city council's Finance Committee.

His urging produced results as Alderman Casner Skolch, chairman of both the City Hall and Police Committees, called meetings of both committees for 6 p.m. today.

Rutledge suggested committee chairmen meet with department heads to begin budget preparations, and give results to the Finance Committee.

He pointed out that adjustments in some departmental budgets may be required this year, such as an increase in funds for the street department because of excessive damage to streets, caused by thaws and freezes.

"We're going to have to try to get the streets back in condition this year," Rutledge said.

DUNBAR SCHOOL OPERETTA was given last week of the Madison school for audiences totaling 450 by 200 fourth, fifth and sixth graders. Those shown standing during a scene of the music and speaking program, "Who Stole the Turkeys", are (left to right) Alton Rendell, Linda Harris, Ronald Burt, Thomas Owens and Odell Clinton. Producers and directors were Emmett Timmons, Mrs. Ada L. Walton, Richard Spillers, Miss Clara Horton and Mrs. Willie G. Watts.

Final JA Scholarship Interviews On April 9

Final interviews for local scholarships offered to Junior Achievers by JA of the Mississippi Valley will be conducted in the Junior Achievement offices in St. Louis on Saturday, April 9.

Initial interviews for scholarship elimination were conducted there last Saturday, and members of the miniature production and sales companies, including representatives from the Granite City JA center, have yet to learn the results of the interviews.

Local Awards

Scholarships being offered by JA of the Mississippi Valley to deserving Junior Achievers included a four-year full tuition scholarship to St. Louis University, Maryville College, Lindenwood College; four-year half tuition scholarships to William Jewell College, Webster College and Fontbonne College; plus two five-year scholarships sponsored jointly by the University of Cincinnati and Wagner Electric Co. and eight Achiever Association scholarships worth \$100 each.

All Achievers were given the opportunity to apply for the local awards.

Final determination of scholarship awards will be based partly upon the Achiever's record of school work and his or her record in Junior Achievement.

National Scholarships

All Achievers are also eligible to enter competition for national scholarships, and were able to do so at the same time they submitted applications for the local awards.

Included on the list of schools and colleges are: University of Wisconsin, Knox College, Marquette U., Massachusetts Institute of Technology, Iowa State College, Ohio State U., Parsons College, Stanford U., Stevens Institute of Technology, Tufts College, U. of Chicago, U. of Wisconsin and Valparaiso U.

Mock Convention Here Friday For PTA Units

A mock convention will be conducted Friday evening in the Granite City high school auditorium by District 23 to prepare for the 58th annual state convention of the Illinois Congress Parents and Teachers, it was announced today by Mrs. V. J. Brazer of East Alton, district chairman.

Between 100 and 200 PTA delegates and interested PTA members from units in Madison, Jersey and Calhoun counties are expected to attend the mock convention which will open at 7 p.m. The state convention is to be held April 21-23 at Peoria.

Earl Lee, administrative assistant in the Granite City school system, will preside over tomorrow evening's program, assisted by M. A. Wittewrongel, director of adult and vocational education in Granite City schools. Dr. Harold M. Kaiser, superintendent of Granite City schools, will give the welcoming address.

On the mock convention agenda are parliamentary procedures, convention motions and discussions, panel, lectures, legislative procedures and administrative functions.

Refreshments are to be served at the conclusion of the sessions.

Li. Gov. Thompson Visits GC Kiwanians

Kiwanis District Lt. Gov. Ben Thompson of Collinsville, five other members of the Collinsville club and five representatives of the East St. Louis Kiwanis Club were special guests at a meeting of the Granite City Kiwanis Monday night at the Elks Club.

Thompson presided over an official board of directors meeting following the Kiwanis meeting. Club officers and committee chairmen of the Granite City club submitted monthly reports during the board meeting.

Receipt of a first place Khouxy league plaque from a baseball team sponsored by the Granite City Kiwanis Club was acknowledged. The plaque was presented last week by team manager Robert King. Coaches of the team were Pat Morrison and Richard Loyet.

Thompson announced that the annual Kiwanis "spring fellow dinner" will be held in Edwardsville on Tuesday, April 19. The event will be a ladies' night, with the dinner to be held at the Edwardsville high school cafeteria.

Among the 11 guests, including Thompson, who attended Monday's meeting were Homer Herndon, Bud Huback, Bob Karren, Bob Simmons and Earl Bartholemey of Collinsville, Gil Armstrong, Peter Studyna, Timmer Schrieber, John Carl and Ed Goedde of the East St. Louis Kiwanis Club. Thirty local club members were in attendance.

Fined \$30 On 3 Charges

James D. Oliver, 35, of 2663 Missouri avenue, who was arrested about 2:45 a.m. Sunday by Granite City police, was called to investigate a man beating on a rear door at the Altkin Motel, 2604 Missouri avenue, was fined \$30 and costs Monday by Police Magistrate Gasparovic. He was charged with creating a disturbance, drunkenness and using profane language.

Hole in Street Damages Tire, Wheel

A motorist who damaged a wheel and tire on Sunday when he struck a chuckhole in a pothole on a road at Prohart grade school submitted a \$47 repair bill to the city council Monday night.

Charles Stenwell of Palm street said he was forced into the hole by an oncoming car and that he damaged a wheel and tire on his 1959 auto. His bill was referred to the city attorney.

Stenwell said he immediately notified Supt. of Streets William Warfield of the dangerous condition and that within two hours a barricade had been erected. He added that the hole was repaired Monday morning.

Two Charges Filed

Charles Mitchell, 52, of Rural Route One, who was arrested Tuesday afternoon at Niedringhaus avenue and Maple street by Granite City police, was charged with speeding and operating a motor vehicle without a driver's license. He was freed on \$27 cash bail.

Boat Club To Assist In Varied Emergencies

Five squadrons are to be formed by the Bow Line Boat club to carry out its plans to assist Granite City civil defense authorities in the event of flood, hostile or any disaster or incident in which boats can be of value.

Presentation to the city of a key to the club's property was the first step in a plan whereby the club, organized in 1953 as strictly a pleasure boating group, will establish a fleet of search and rescue craft for use by the CD organization in time of flood or for the benefit of individuals in emergency.

"We are proud to be of service to CD and our community," should the need arise," Commodore Ray Simmons has reported to CD officials. "If there is some service we can perform for us. We will cooperate 100%." Simmons has revealed a plan under which club members' private boats will be organized into an emergency fleet. Fleet chairman is George Chevalier.

The fleet in turn is to be broken down into squadrons of from three to five boats each. The squadrons are to be directed in rescue operations by Harvey Beaver, Jesse Curtis, Earl Gates, Lester Martin and Bob Young.

Since its organization, the club has established a safety record of enviable proportions. Not one serious accident involving members or their boats has occurred in five years of boating. The organization held a spring dance last week and will sponsor boat races this summer.

Suspension Of Driving License Is Rescinded
Secretary of State Charles F. Carpenter this week announced that the Driver's License Division of his office has rescinded the suspension of the license of Thomas R. Wood, 821 Staunton avenue, was rescinded upon review of the record, which disclosed that there are not presently additional reports of conviction of such nature justifying an additional order of suspension.

Passing Auto Hits Open Door Of Parked Car
A motorist escaped injury Tuesday afternoon when he was getting out of his car in the 3500 block of Felling road and the left door was struck by a passing auto.

Police said Russell L. Turner, 49, of 2912 Oregon avenue, was climbing out of his car as the door was struck by an auto driven north by Joseph A. Kozlinsky, 38, of 2863 Washington avenue.

'Poor Judgment, No Law Violation' On Army Cost

The Army secretary, reviewing the cost of a 1956 housing construction project at the Engineer Depot, has concluded that there was "poor judgment and an abuse of discretion" but no law violation. Assistant Secretary Dewey Short has informed the House Committee on Armed Services, Cong. Melvin Price notified the Press-Record this week.

The committee, which held hearings Feb. 25 and 26, had asked for the secretary's views. Short reported that "since this matter has been brought to the attention of the Department of the Army, the regulations of the Corps of Engineers have been changed to preclude the recurrence of similar actions in the future."

Officials in Chicago rather than this area were involved in the case. Sen. Byrd (D) of Virginia charged "excessive costs" while Rep. Hoffman (R) of Michigan criticized a General Accounting Office report. Hoffman said the work was needed and that transfer of cost items was "only a paper transaction."

Easement Needed For Franklin Ave. Drainage

Provided an easement can be obtained over private property, bids are to be sought for construction of a drainage line from the 3300 block of Franklin avenue to Johnson road. It was decided during Monday night's meeting of the Granite City council.

Several other drainage matters also were discussed, and permission was granted the county highway department to connect onto an existing storm water drainage line along West Pontoon road when improvements are started on the section of the roadway outside the city limits.

Another drainage line poses a problem at Terrace lane and Clark avenue, where a householder is prevented from digging a basement under his house because of the pipe. The line was installed by the East Side Levee & Sanitary District and the problem is to be presented to them. It was installed to drain a low area which since has been filled, it was explained by Alderman Emerald Dawes.

The Franklin avenue drainage line is to be installed by the city, and Alderman Frank Vesce said he believed an easement between houses could be obtained.

Scouts In Uniwah Increase To 1852

Latest figures from the national Boy Scout Office show a 11.8% membership increase in the Uniwah or Quad-City district over a year ago. The total of 1852 boys is the highest ever reached in the district.

Word also has been received that the Cahokia Mound Council was highest of the 84 councils in Region Seven in the 1959 world friendship fund project, averaging 10.8 cents a boy in contributions. Uniwah, with 68% of the council's total, topped all but five of the councils.

Activity in the local district currently includes organization of ten new units. It is hoped to complete organization work for the ten by May.

The units are cub packs for St. John Lutheran Church, the First Assembly of God and Good Shepherd Evangelical United Brethren Church; scout troops for the Maryville road, Marshall and Webster school, PTA's and the Moose lodge; and explorer posts for the A. O. Smith Corp. Tri-City Park Tabernacle and Local 30 at Granite City Steel Co.

Plans are being made to revise the merit badge council's list, and Ed Stone, B. J. Rodgers and Charles Wicker have been added to the Uniwah commissioner staff. All commissioners of the district are to meet at 7 o'clock tonight at the 7 Dewey Avenue School at Church.

Jehovah's Witnesses To Hold Convention

A large delegation from the Granite City congregation of Jehovah's Witnesses is planning to attend the semi-annual three-day convention of Illinois City Six of Jehovah's Witnesses at Alton, April 22-24, according to an announcement today by Francis H. Clanton, presiding minister of the local congregation, The Watchtower Bible and Tract Society of New York is sponsor of the event.

The Alton senior high school, 2200 College avenue, Upper Alton, will be used for the assembly sessions. Approximately 900 are expected to attend.

District Supervisor Angelo C. Manser Jr., from the New York headquarters of the Society, and Victor Mansavage, minister for Circuit Six, will be key speakers at the assembly, but ministers from various congregations in the circuit will support them in the program of Bible instruction.

Local meetings at Kingdom Hall, 1126 Madison avenue, will be cancelled for the weekend of April 22-24 so that all may attend.

If The Key Word As Tax Rate Gains Are Explained
How did the new tax rate get that way? Local public officials are hard-pressed to answer, but say that the increase would not be so great this year had not last year's rates been artificially low. In some cases, there would have been a decrease rather than a rate rise.
Largest gain was in the new Granite City school district tax rate of \$2.04, which compares with \$1.603 a year ago. School officials say that the rate was \$1.882 three years ago, \$1.886 two years ago and would have been \$1.82 instead of \$1.603 last year if rates had been figured on the final assessment total. The assessment was changed after tax rates were computed. The \$1.82 rate that might have been could conceivably have remained at about the same level.

Change Firm Name
Amendment of the corporation of Twillman and Federal Pattern Corp. has been approved by the office of Secretary of State Charles F. Carpenter. It was announced this week. The firm is located at 1420 State street.
By applying the \$200,000 debt retirement and \$174,000 expenditure reduction against the \$2.04 actual rate for this year's tax collection.
600 More Pupils Yearly
School enrollment has been rising at a rate of about 600 pupils a year. Based on the current per-pupil cost of \$288, this means an additional \$208,800 in costs each year.
The school district failed to receive \$200,000 due to the timing of last year's assessment change. If this had not occurred, the 1960-61 borrowing would remain below the \$1,000,000 mark. Instead, it may top \$1,000,000 for the first time, the officials report.

Issues River Warning

Charles B. Schweizer, District Engineer, U. S. Army Engineer District, St. Louis, said today he wished to warn all recreational boating and other interests of unusually high flows in the navigation pools in the St. Louis District.

The U. S. Weather Bureau

forecasts 23 feet by tomorrow at Lock & Dam 26, at Alton, where flood stage is 21 feet. All dam gates were out of the water and open-river conditions prevailed at noon yesterday.

Col. Schweizer advised that information on stages given in the above should not be interpreted as crest stages. Interested parties should watch for U. S. Weather Bureau releases for further information.

Student Field Study

At Bahama Islands

Miss Olive Frohardt, daughter of Mr. and Mrs. Waldo Frohardt, 2311 Edison Avenue, is one of 27 Illinois State Normal University students who will participate in a field study of marine biology during their spring vacation.

They will leave the campus by bus April 6, fly to the British West Indies April 10, return to the United States April 12 and arrive back on campus by bus April 16 after traveling 4,000 miles. A new feature of this fifth annual study trip will be that ISNU President Robert G. Bone and his wife and their two sons will accompany the group. The director is Dr. Walter H. Brown and the chaperone Dr. Eleanor Dicks.

The first part of the journey will include travel through Indiana, Kentucky, Tennessee, Georgia and Florida and the return portion will be through Alabama, Tennessee and Kentucky. Each student will prepare a collection of marine specimens while in the coastal region and Bahamas. In addition, a daily log is to be kept, a manual completed and an examination passed before credit is granted.

UPW Holds Spring Retreat Tuesday

The spring retreat of the United
Presbyterian Women of First
United Presbyterian Church,
22nd street and Delmar avenue,
was held Tuesday morning at
the church.
The theme for the day was
"In His Service — Servant Lord
and Servant People."
An organ prelude by Mrs.
Walter Kerch opened the ser-
vice, followed by the call to wor-
ship by Mrs. R. N. Johnson and
prayer by Mrs. Wilfred Cooley.
Later all repaired to with their
Bibles various areas of the
church for a quiet period of
prayer, meditation and Scrip-
ture reading.
There was a short period of
sharing thoughts on the theme
of the day as related to the
service of theology, church, state
and the service of a Christian.
The retreat closed with medi-
tation and Holy Communion ad-
ministered by the pastor, Rev.
David B. Maxton, assisted by
elders Floyd Mitchell and Ralph
Fasick and the benediction.
Those assisting in the pro-
gram were Mrs. George Holt-

GC Council To Approve \$10,939 Bid For Electric Signals At 27th, Madison Ave.

A lone bid of \$10,939 for installation of electric traffic signals at 27th street and Madison avenue was received by Granite City council members Monday night. A resolution is to be prepared to award the contract to R. Dron Electrical Co.

The lights, similar to those at 23rd street and Madison avenue, will be actuated by traffic along 27th street, and there also will be push-button controls on either side of Madison avenue for the convenience of pedestrians, since 27th street is heavily traveled by youngsters and adults going to and from nearby Wilson Park.

Aldermen Donald Partney and Charles Meyer asked the council's consideration to widen 27th street west of Madison avenue to the alleyway to provide a wider turning area for vehicles, especially buses, making turns off Madison avenue onto 27th street.

No action was taken, however, as Mayor Davis said he was conferring with Community Coach Co. officials on the possibility of rerouting the buses over 28th street instead of 27th street. Partney pointed out the south-bound buses making right turns onto 27th street are damaging the sidewalk and catchbasin on the northwest corner.

OK Drive-Up Windows

Permission was granted State Loan & Savings Association to continue operation of a drive-up service window at its new quarters to be located in the building at Niedringhaus and Edison avenues, formerly occupied by First Granite City National Bank. The drive-up window was opposed by three aldermen, but it was pointed out the first would hire a city policeman to direct traffic at the entrance, should problems arise.

Several parking problems also were presented to the council. Second Ward Alderman Robert Gaughan said new parking restrictions in the 2000 block of Washington avenue have a "pushed" all-day parking in the 2100 block. The 2000 block two-hour parking limit was approved on the recommendation of First Ward aldermen, causing the added problem in the 2100 block.

Gaughan said there are few driveways in the 2100 block which has many four-family apartment houses along with several commercial establishments. "If a man living there drives out of his parking place in front of his home, it's another eight hours before he can get back," Gaughan explained.

The alderman said he did not particularly want a two-hour parking restriction because of the number of residences, but he asked the council to take his problem under study to determine a solution. Neither First Ward aldermen, Frank Nemeth or Estill Vor Schmitt, was present when he submitted the problem to the council late during the session. He indicated that he did not want a "First-Second Ward Jurisdictional dispute to arise."

No-Parking Zone

Alderman Arthur Wieser requested a no-parking zone in the 1100 block of Niedringhaus avenue in front of Branding's service station and for a distance of 15 feet on either side of the driveway. Wieser explained that parked cars block the view for motorists leaving the station. An ordinance is to be prepared along with another setting forth a 30-minute parking zone along Madison avenue in front of Tri-City Motor Co. The 75-foot zone was requested by Alderman Samuel Whitmer, who said there has been considerable all-day parking in front of the business place. He said there were a number of other restricted parking zones for commercial establishments in the same block.

L. J. Bartley Wins Toastmasters Award

L. J. Bartley, principal of the East 23rd street school, won the award of the week in his first speech at member of the Toastmasters Club at its meeting Monday night at Cline's restaurant.

Concerning his childhood and education, Bartley's speech was entitled "Me." The second speaker was Charles Withers.

Toastmaster of the evening was Russell Robbins. Earl Lee was general evaluator and Marvin Dean was best critic. Next week's meeting will be "Ladies Night" and 35 are expected to attend. In honor of the occasion there will be three speakers instead of the usual two. Scheduled to speak are Dr. Claude Hiles, Donald Kopp and Charles Youngs.

\$9100 Building Permits Include Home In Venice

Venice building permits approved during March totaled \$9100, a monthly listing showed today.

Largest project is a five-room 2636-foot frame residence to be built by Joe and Lois Boyd at 616 Washington avenue at a cost of \$4500.

The Meredith family plans a one-room 10x12-foot frame addition to a home at 3118 Market street at a cost of \$2500, while Herman Odell will build a two-story 22x24-foot storage building at 100 State street for \$2300.

Mrs. John Mitchell, 205 Hampden street, plans a \$100 frame 14x22-foot carport.

Construction Equipment For Sale At GCED

Inspection of surplus government property is to be held during a spot bid sale on Wednesday, April 20, at the Granite City Engineer Depot may be made through the closing date, April 19. Property Disposal Officer D. E. Bright, Jr., said today.

Among items listed as no longer needed by the federal government is a wide variety of construction equipment, including diesel tractors, clamshell buckets, crane components, generator sets, drills, compressors and flat bed trailers.

The property may be inspected by prospective bidders between the hours of 8 a.m. and 4 p.m. except Saturdays, Sundays and holidays.

Concern Over Taxes A Step Toward More Public Interest In Conduct Of Government

Earlier this month, Quad-Cityans received their first tax reminder of the year, learning that officials of the three townships are proposing new budgets of \$436,141, or \$20,643 less than those adopted a year ago. Now they have been told that the local assessed valuation has been set at \$238,003,567 for 1959 and that the 1959 tax rates on which 1960 tax bills will be based vary from \$3.626 to \$2.98.

Most property tax bills are expected to be somewhat higher this spring than in the past. There is, of course, difference of opinion over whether this is merited, but it is a fact that higher governmental spending inevitably must be met by higher taxes or fees. In the case of the local tax bills, they are based on levies and assessed valuation of the city, school district, park district, township, township road and bridge fund, county government and levee district.

Some property owners become alarmed about their taxes when they read of the assessment total and tax rates and when they receive their tax bills, but it is already far too late by then for the taxing process to be altered or interrupted. This is because the actual billing procedure always takes place in the year after the two controlling factors — levies and valuations — become final.

With the population and governmental services expanding, increased municipal costs have become a trend, in the long run, the public will decide through its elected representatives how vital the services are and how far the spending should be allowed to rise. In the meantime, taxpayers have become a public issue, and there could be one consolation in that. The higher bills may prompt increased public interest in government and in how it is being conducted.

A diet may be good for the health, but a good menu can do wonders also.

Court Approval Of Fluoridation Ordinance Comes As No Surprise

The circuit court upholding of a St. Louis county ordinance providing for fluoridation of the water supply comes as no surprise to those who have followed fluoridation safely and effectively reduce incidence of tooth decay is matched by ample proof of its legality.

The Council on Legislation of the American Dental Association reports that numerous state courts have upheld fluoridation and that the United States Supreme Court has refused to review four of these decisions.

"In marked contrast to the number of favorable holdings is the fact that only one court in this country has ever rendered an opinion adverse to fluoridation," the council comments. "In that one instance, a trial court in Louisiana rendered an adverse opinion which was reversed promptly by the Supreme Court of Louisiana, an action which the U. S. Supreme Court refused to review. This unilateral judicial opinion — an unusual fact in itself — gives the strongest support to the proposition that fluoridation satisfies every legal and constitutional criterion."

As the dental council points out, "Every conceivable legal and constitutional objection against fluoridation has been argued unsuccessfully in the ten cases that have been litigated on this subject."

With this in mind, it seems clear that there is no Samuel Butler, English writer, responsible for the "sneer the rod and spoil the child." In Sahara's desert city of Timbuktu, Tuareg warriors sell their razor-sharp daggers to tourists as souvenirs.

Beware of Diversionary Tactics

It's a pleasure to find a newspaper in the St. Louis Post Dispatch's position to make impartial judgment in such matters agreeing with us on our thinking about the state's attorney.

The Post Friday announced editorially its endorsement of Dick H. Mudge for re-election to the office of county prosecutor.

It is particularly interesting to find the Post agreeing with us on the prime reason of Mr. Mudge previously: Simply that he has demonstrated his ability and aim during the past three years to make the state's laws against commercialized gambling.

Now that the Club Prevue has been idle; now that the dice tables and the blackjack and poker games in most of the county's night spots have been closed down for nearly four years, voters may be a little apt to take this accomplishment for granted.

This newspaper, however, will never be little the accomplishment; nor undersell the degree of State's Attorney Mudge's responsibility in bringing it about.

It has been a rare year — or even month — in Madison County's history for the last generation prior to Mr. Mudge's election when some major commercial gambling wasn't going on in the county.

And it has been a rare election whose outcome didn't hang on the money from

legal or other reason why the Quad-Cities must become one of the few large population centers without water fluoridation. Yet, this community is rapidly being left behind other areas. Venice and Madison aldermen have approved fluoridation, but no action has been taken in Granite City.

Money multiplies the power of man, either for better or for worse.

Prompt Payment Of License Fees Should Be Enforced By County

The order to close unlicensed taverns in the unincorporated area of Madison county by today is a proper order by Liquor Commissioner Gus Haller and certainly should be carried out speedily by the staff of Sheriff George Musso. The licenses were due Jan. 1 and 90 days is a substantial period to allow for payment of the \$300 license fee.

If any of the taverns were to operate for the first three months of the year and then decide against continuing in business, it might be difficult for the county to collect on a retroactive basis. Fees due from the 51 establishments listed as delinquent amount to \$15,300, or 37% of the \$40,800 scheduled for collection on 136 liquor licenses.

Public license fees are no different from personal debts; they should be paid, and paid promptly. Enforcement authorities ought to proceed immediately and collection should be made next year without delay, avoiding the risk that funds owed to the county will be lost.

Start On Horseshoe Lake Park Project Tribute To Persistence Of Commission

Announcement that \$400,000 will be released this spring to purchase land for the proposed state park and game refuge at Horseshoe Lake is a tribute to the persistence of the study commission headed by Henry D. Karandjoff.

The group has been in frequent contact with Gov. Stratton, and its efforts are beginning to show dividends in the form of a definite start on the project. Representing the first appropriation toward the new park, the \$400,000 was among the state appropriations "frozen" by the governor because amounts voted by the legislature exceeded the state's income.

Plans call for acquisition of 7773 acres at an estimated cost of \$1,392,750, and total cost of the park development program is expected to reach \$3,500,000. The \$400,000 item is much less than the total cost, but it will make the project a reality, undoubtedly simplifying the task of obtaining additional funds in the future.

Release of the funds will be a credit to the persistence of the commission and its fine report showed the need for recreational facilities utilizing the natural advantages of the lake area.

"Stumbling blocks may be carved into fine stepping stones," —Herrick Bulletin.

Madison Charities To Sponsor Charity Check

The Madison Charities, a hot rod club, is currently working on plans to sponsor a free community safety check of cars and trucks this summer, a club spokesman said today.

The inspection will be performed by qualified persons, including state policemen, tire company representatives, etc. Any car or truck owner, either preparing for a long trip or needing an inspection of his vehicle will be able to receive the service. The location is to be announced.

The club's 37 members put their cars through a similar check up four times a year, the second quarterly one was held this week at the Madison high school. Points are given to each car for its rating on different categories in the check up. The Charities Club also is planning to present a series of safety films to the public in the near future.

Solons Give Final Ok For Madison Ave. White Way

Installation of 116 new, bright, 20,000-lumen mercury vapor street lights along Madison avenue from 14th to 30th street was approved Monday night by Granite City council members with adoption of a resolution to accept the added annual cost of \$2627 for power.

The new lights, to be installed by Illinois Power Co., will result in the removal of 28 existing street lights of 4000-to-6000-lumen rating and the loss of only four trees. An average of six or seven 20,000-lumen lights are to be installed in each block, with longer pole arms in the residential areas where there are trees.

The tree removal includes one in the 2400 block, two in the 2700 block and one in the 2800 block.

GCHS 'Junior Follies'

To Be Presented Tonight

Over 150 Granite City high school speech students will take part in the annual "Junior Follies," at 8 o'clock this evening in the high school auditorium.

Mitchell FD Battles Gas Transport Blaze

Members of the Mitchell Volunteer fire department were among three fire-fighting crews called to the scene of a spectacular gasoline truck blaze Monday night at the foot of Chagard Hill on Bypass Highway 66 near Edwardsville.

The brakes on the gasoline transport apparently failed as it came down the hill, the speeding truck struck a guard rail near the railroad underpass near the foot of the hill, overturned and caught fire.

The Mitchell department disaster truck, which contains a pump and eight members of the fire department, were on the scene for about two hours until the fire was brought under control shortly before midnight.

Fire-fighting equipment from Edwardsville and the Shell Oil Co. refinery at Wood River were also on the scene.

The truck contained 7100 gallons of gasoline, with all but 1000 gallons going up in the blaze. A power pole in the vicinity of the fire burned, and the electric service to about 50 homes, Bypass 66 was closed to traffic until 5:30 the next morning as workers cleaned up the debris.

Robert Davis, driver of the truck, and Arthur Kessler, rig boss, both of St. Louis county, received minor injuries in the accident but were not hospitalized.

Fire Damages Rear
Sect Of Auto Tuesday

Damage to the rear seat of a 1953 automobile owned by Alex Lewis of East St. Louis was estimated at \$50 by Granite City firemen from the downtown station, who answered a fire call at the parking lot of the General Steel Castings Corp. at 3:15 p.m. Tuesday.

Firemen said the blaze was apparently caused by a smoldering cigarette. Lewis is employed at General Steel Castings Corp.

Army Ok's Route 270 Bridge Over River
The Secretary of the Army has approved the application by the Illinois Department of Public Works and Buildings, Division of Highways, Springfield, for the Interstate Route 270 bridge across the Mississippi River.

The approval was made public this week by Col. Charles B. Schweizer, District Engineer of the U. S. Army Engineer District, St. Louis. Col. Schweizer said that the proposed bridge provides for a vertical clearance of 21 feet above the high water of record in 1844. A vertical clearance of 34 feet is provided above a 28 foot stage at St. Louis — at which time navigation is possible over the proposed new low-water dam to be constructed across the main stem of the Mississippi River.

The recommendation by the chief of engineers stated that there is no economic justification for requiring greater vertical clearance than proposed in the application. It was also stated that the proposed bridge will not be an unreasonable obstruction to the navigable capacity of any of the waters of the United States.

The approval pertains to the bridge over the Chain of Rocks Reach of the Mississippi River. A separate application for the Interstate Route 270 span over the canal has been approved. The vertical clearance for the canal span is 50 feet above high water of record.

Col. Schweizer pointed out that the Corps of Engineers completed construction of the Chain of Rocks canal and locks in 1933. This structure was built for the express purpose of bypassing the Chain of Rocks Reach of the river which was characterized by inadequate depths, a rocky bottom and high velocities — often impeding of one of the most troublesome reaches of the river.

Mitchell Kiwanis See Film About Paris
Ten members attended the Mitchell Kiwanis Club meeting Monday night at Smith's Dining Room and saw a film entitled, "Paris In The Day."

The club had its regular dinner and business session before initiating Lee Barker as a new member. The forthcoming pancake and sausage supper also was discussed.

Winds, Burning Trash Cause 3 Fire Calls
Gusty winds and burning trash resulted in several fire calls to the downtown and West Granite fire departments Monday and Tuesday, but no damage to property was listed on three reports.

Firemen from the downtown department answered a wood fire call at 4:45 p.m. Monday at 19th and Adams streets, and at 2:45 p.m. Tuesday in the 2200 block of Edison avenue. Trash fires spread by the wind were listed as the cause in each case.

West Granite firemen were called to an ash pit at the Washington school on West 20th street, where flames from burning waste paper were being fanned by the wind.

Charged With Speeding
Robert Henry French, 30, of Edwardsville, was arrested Tuesday night at 28th street and Namek road by Granite City police on a charge of speeding. He was freed on \$11 cash bail.

Family of 4 To Live 'Free' For A Month
A Granite City Steel Co. clerk will not have to worry about feeding, clothing or entertaining himself and the members of his family next month. Robert N. Noud, 1909 Rhodes street, Madison, is the winner of the local A&P store's "Live Free For A Month" contest and the \$360 which goes with it.

The Noud family, which includes Mrs. Noud, two-year-old Mickey and one-year-old Bobbie in addition to the father, received a check for \$325 this week from local A&P store manager Edward Stone, and will get food gift certificates worth another \$35.

The prize money, broken down by the chain grocery firm, includes \$60 for car payment, \$15 for laundry and cleaning, \$10 for gas and electric service, \$10 for a baby sitter, \$85 for rent or mortgage payment, \$25 for automobile gas and oil, \$10 for telephone service and \$20 for entertainment.

The contest was promoted by the local A&P store from March 7 to March 26.

Grade School PTA Meetings
The following PTA meetings will include the following: April 11, Washington and Webster; April 12, Emerson; April 14, Mitchell; April 18, Marshall; April 19, Frohardt, McKinley and Namek; and April 21, Logan and Stallings.

Madison high school plans include a dance assembly program at 7:15 p.m. April 13, a talent show April 22 and the state music contest April 22 and 23.

Madison high school will hold a PTA meeting April 19, and the Dunbar grade school PTA will meet April 13.

April 20 PTA meeting is listed by Blair and Louis Baer, and the Mothers' club will meet at Louis Baer grade school April 13.

At Venice high school, the senior class will present a play matinee, and the annual senior play April 8. Venice grade school will hold a spring musical program April 6 and a spring band concert April 28.

HEARTENING DECLINE
Infant deaths declined 33 per cent and maternal deaths were down 77 per cent in the United States between 1944 and 1954, first decade of the antibiotic era.

You can pay a little less for your Ice Cream but it won't be as good

The price of everything we buy is determined by its quality. This is just as true of ice cream as of anything else. You'll find DEL-FLA ICE CREAM costs a few cents more — because it costs more to make. The secret of its delicious flavor lies in the freshness of the pure graded pasteurized rich cream and dairy products used the same day they are received.

We are not faced with the problem of using odds and ends, returned or distressed materials to use up. Remember, you can pay less money for your ice cream, but it won't be as good. Mfg. by the Granite City Ice Cream Co., Mitchell, Illinois.

Herbert Milton, Father Of 4 GC Residents, Dies

The father of several Granite City residents, Herbert E. Milton, 62, of Hartford, suffered a fatal heart attack at his home at 1:30 a.m. Wednesday.

Mr. Milton lived in Hartford for over a year, having moved there from Stewart county, Tenn. where he was a well-known farmer.

He is survived by his wife, Mrs. Maggie Milton, four sons, James, Charles and Herbert Milton Jr. of Granite City, and Walter Milton of East Alton; a daughter, Mrs. Sallie Kirksey of Granite City; and a foster daughter, Mrs. Lucille Legsdon of Wood River.

Funeral services will be held in a rural Methodist church near Dover, Tenn. at 2 p.m. Friday with interment in the church cemetery.

Buying In Quad-Cities Tops \$58,000,000 During 1959

Buying in the Quad-Cities soared from \$23,182,212 in 1958 to \$58,000,000 in 1959, an annual record disclosed today.

The \$58,000,000 total, believed to be a new record, compares with the \$52,186,281 in the previous year and \$57,981,509 in 1957.

With \$31,213,494 buying between July and December 1959, the half-year mark was topped by \$32,786,506 in the last half of 1959 and \$32,786,506 in the last half of 1957. However, it was well ahead of the last half of 1958, when buying amounted to \$27,183,832.

The first half of 1959, accounting for \$27,406,506, compared with \$25,002,449 in the first half of 1958 and \$25,215,164 in the first half of 1957.

\$45,522,201 IN GC

The past year's \$58,000,000 total consisted of \$45,522,201 buying in Granite City, up \$4,972,444 over 1958; \$10,051,481 in Madison, up \$1,298,541; \$2,475,366 in Venice, up \$60,765; and \$360,752 in Mitchell, up \$161,769.

A monthly breakdown of the 1959 Quad-City buying follows: January, \$4,282,103; February, \$4,149,906; March, \$4,381,188; April, \$5,201,372; May, \$5,182,765; June, \$4,068,909; July, \$5,286,357; August, \$4,545,326; September, \$4,721,338; October, \$4,722,204; November, \$6,197,636; and December, \$5,740,631.

Breakdown By Cities

A listing of the 1959 purchasing by cities is given below: Granite City — January, \$3,334,508; February, \$3,282,664; March, \$3,627,936; April, \$4,246,447; May, \$4,151,644; June, \$3,316,542; July, \$4,123,070; August, \$3,564,451; September, \$3,729,695; October, \$3,774,296; November, \$3,697,815; and December, \$4,673,130.

Madison — January, \$704,046; February, \$620,534; March, \$714,404; April, \$727,658; May, \$747,581; June, \$335,836; July, \$644,065; August, \$697,117; September, \$736,014; October, \$704,046.

Four Local Marines In Formosa Water Landing

Marine Pfc. Harrison E. Mullen, son of Mr. and Mrs. Harrison Mullen, 2711 Marshall avenue, Pfc. Vernon D. Tinker, son of Mr. and Mrs. Woodrow J. Tinker, 2856 Ralph street, Lance Cpl. Jerry R. Shelton, son of Mr. and Mrs. Roy Shelton of 2831 Palmer avenue and Maj. Earl K. Vickers Jr., 2436 Edison avenue, took part in a huge amphibious landing exercise March 22 on Formosa's southern coast with units of the Okinawa-based Third Marine Division, it was learned here today.

The exercise, termed "Operation Blue Star," called for the Third Marine Division to assemble in the area along with units of the Hawaiian-based First Marine Brigade and U.S. Republic of China navy, marine and air force elements. Over 18,000 Marines and 70 Navy ships took part to promote closer working relations between U. S. and Republic of China.

Vacant Building Entered

A watchman at Granite City Steel Co. advised police Tuesday evening that a door was open at the abandoned Candlelight Tavern building, East 19th and Omaha streets. The investigating officers reported an apparent attempt had been made to disconnect several refrigeration motors inside the building. The owner was called to lock the building. Entrance apparently was gained through a basement window.

Hit-Run Accident

James DeMontmollin, 2843 Myrtle avenue, reported to Granite City police yesterday that his 1958 auto was sideswiped by a hit-run motorist while parked on Wilson avenue near Nameoki road. He said there was light green paint from the hit-run vehicle on the left side of his auto.

China forces in practicing conventional and vertical assault-type amphibious landings.

3 Films On Children's Problems To Be Shown

Three sound films designed to be of special interest to parents of school age children will be shown for members of Parent-Teacher groups at the Granite City high school auditorium on Tuesday, April 12 at 7 p.m. Area PTA Council President Harry Wood said today.

Wood said the showings have been arranged by Dr. B. B. Bertram. A question and answer period will follow the film presentations which are entitled "Meeting Emotional Needs in Childhood," "Six, Seven and Eight-Year-Olds — Society of Children" and "Co-dependency."

The first film looks at the infant's basic need for security, attention, warmth and affection, both from the mother and the teacher.

The second is concerned with the middle years of childhood, and the society of clubs and gangs which is the first point at which the child partially breaks away from parental and teacher control to test himself and to seek recognition from others of his own age.

The third film deals with a young adult who, because of overprotection in childhood, is unable to face the responsibilities of the mature world until conferences with his doctor help him to understand the emotional basis for his abnormal dependency.

Boys Break Church Window

Boys playing at 22nd and State streets broke a window on the 22nd street side of the Free Methodist Church building, according to a report made Tuesday evening to Granite City police. The area was searched, but the boys were not located.
